

SET \$995,000 SCHOOL VOTE

Cunningham Heads Party Slate

E. H. Glenn, Shultis to Run Again

Murrill Cunningham, Antioch village president, will seek re-election to his second term of office in the April 18 municipal election.

Mayor Cunningham heads a People's Party slate for village offices consisting of C. B. Shultis for town clerk, Ernest H. Glenn, village trustee, H. Roger Williams, village trustee, and Richard Fulbrick, police magistrate.

Cunningham, incumbent mayor, has a long record of official service in Antioch. He took office May 15, 1957, and was a trustee prior to that time.

Shultis, present village clerk, is seeking his third term. He was elected in 1953, after having served one term as deputy clerk.

Ernest H. Glenn and John M. Blackman, trustees, round out the incumbents seeking to be returned to office.

Newcomers to the People's Party slate are H. Roger Williams, running for the post of trustee to replace Bernard N. Osmond, and Richard Fulbrick, for police magistrate.

The office of police magistrate was created by an ordinance voted last week by the village board. The ordinance calls for the magistrate to be elected to hold office for four years at a salary of \$1,200 annually.

Three holdover trustees will remain in office until elections two years hence. They are Edmund F. Vos, Herman Holbek and David H. Nissen.

Monday, Jan. 23, was the opening date for filing for petitions. The filing period extends until Feb. 27.

Helen Burke in Township Race

Helen Burke, Grass Lake, prominent GOP worker, is the latest candidate to announce for township office in the April 4 elections. Mrs. Burke will run for the post of assistant supervisor, newly-created township post, and will oppose Nelson Gonyo, State Line Rd., who announced for the office last week.

Townships with populations over 7,500 are eligible for an assistant supervisor. Antioch Township has a population of 8,700.

Two other candidates have filed for township offices - W. Richard Whitacre and Myrtle Biel, incumbents, who seek six-year terms on the library board.

L. R. Van Patten, Jr., town clerk, with whom candidates must file and secure petitions, is in St. Therese Hospital, Waukegan, for a check-up. He entered the hospital on Monday.

Business Listings Up 17%

The business population of Antioch increased from 245 in January, 1960, to 282 last month, according to statistics released by Dun & Bradstreet. This represents a 17 per cent increase.

The 17 per cent increase in business reference listings for Antioch was far above the 5.3 per cent average for Lake County during the past year, when total number of business listings by D & B rose from 3,608 to 3,800.

Highest increase in listings was Mundelein, rising from 150 to 172 for a 22 per cent increase, followed by Highland Park, rising from 325 to 345 for increase of 20 per cent, and Deerfield, from 101 to 120, an increase of 19 per cent.

Dun & Bradstreet's Reference Book lists all manufacturers, whole-

salers and retailers who seek or grant commercial credit.

The current report does not include some of the service and professional businesses such as beauty and barber shops, security dealers and real estate brokers.

Plans Social Center

The Rev. Alfred J. Henderson of St. Peter's Church has announced that His Eminence Cardinal Meyer has granted permission to build four classrooms and a Social Center for the parish.

To help Father Henderson with this project the friends of St. Peter's plan a Pre-Lenten Party and Dance at Lyons & Ryan Ford Agency, Feb. 11 at 8:30 p.m.

The committee would like the help of all the business men and friends of St. Peter's.

Tom Haley is chairman and Marge Gaa chairlady.

BOTTLE PICKUP

Cub Scout Pack 300 will make its postponed pop bottle pickup Saturday morning, Jan. 28. All empty pop bottles for pickup should be placed on front porches and will be picked up by noon. Funds received by returning these bottles are used in carrying out the activities of the pack.

THE ADRIAN SINGERS of the University of Dubuque, appearing tomorrow afternoon at Antioch Township High School.

Famed Choir Here Tomorrow

The Adrian Singers of the University of Dubuque, under the direction of John A. Neve, will appear at 2:30 p.m. tomorrow, Jan. 27, at the Antioch Township High School.

The presentation is open to the public and there is no admission charge.

"Young Men of Song" as the Adrian Singers are called, are a men's choral group first organized in 1952, and named in memory of Adrian Van Vleet, who founded the University of Dubuque in 1852. This is a student organized, directed and managed group. These men are all from the College of Liberal Arts of the University and are preparing themselves for a variety of careers.

The Adrian concerts combine the best loved music of many types. They sing religious numbers, folk and college songs, and some of the favorite spirituals.

Each year the group goes on tour

and presents concerts across the mid-west. This year the Adrians will sing 19 concerts during a 10-day tour of Iowa and Illinois.

John A. Neve

Neve, in his first year as conductor of the singers, is completing requirements for a bachelor's degree in music. He has sung with the Dubuque Concert Choir for four years and the Adrian Singers for two years.

Lake Villa Gray Lady Honored for Service

Mrs. Wallace Ames, Lake Villa, was among Lake County women honored recently at Great Lakes Naval Hospital for their Red Cross service. Mrs. Ames received a service bar for one year of service.

The ceremonies were held to officially welcome 41 new gray lady volunteers into Red Cross ranks and to recognize the service of those already serving.

Churchmen Agree Region Youth Center Necessary

A second meeting of pastors of the Antioch, Wilmet, Trevor, Salem and Bristol areas was held Jan. 17 to discuss the necessity of a youth center for this area.

Held at the Lake Shangri-La Community Center, those in attendance - the Rev. Lemke, Bristol, the Rev. Anderson, Antioch, the Rev. McHolland, Salem, and the Rev. Bleidorn, Bristol - explored the need and general attitude toward such a center. The Rev. Tate, pastor of the Methodist Church in Wilmet, was unable to attend, but summed up general thinking in a letter, "I am sure that a youth center would be an excellent addition to community life."

Since the last meeting three weeks ago, Pastor McHolland discussed the youth center proposal with adult and youth groups and found them interested. As a former swimming instructor, the Rev. McHolland would doubtless be available for instruction in this phase of youth work.

The Rev. Lempke and Fr. Bleidorn promised support of the project. Fr. Bleidorn will move into his temporary rectory across from the Lake Shangri-La Community Center Feb. 2. The move means he will no longer need to commute between Milwaukee and Bristol and will have more time to devote to the parish and the building program under which the St. Scholastica Church and rectory are being constructed on County Trunk V near Highway 45.

Plans for the center envision accommodations for an indoor swimming pool, bowling alley, gymnasium, woodworking and mechanical work shops, craft rooms, and a fountain and outdoor tennis courts. It would be governed by the youth, a method proven highly successful at the York Youth Center in Elmhurst.

The need for a youth center in the area was stressed by those attending, and actual organizing and erect-

tion would require the support of residents of the area.

The pastors plan an early meeting at which two men from each parish will gather to discuss the project. Head administrators of schools in the area will be invited to the next meeting to express opinions and present views. The meeting date will be announced.

High School Addition Up To Voters Here Feb. 11

A referendum seeking approval of a \$995,000 bond issue for an addition to Antioch Township High School has been set for Feb. 11.

Members of District 117 Board of Education set the referendum date at their meeting last week in the high school. Motion to adopt the resolution was made by Boyd Osmond and seconded by William Brook.

The referendum precedes the \$325,000 bond issue referendum for proposed sewer and disposal plant construction in Antioch set for Feb. 25 by the village board in its meeting last week.

Proposed construction at the high school would consist of a two-story structure in front of the present plant and connected to it by corridors. It would house 11 classrooms, five science rooms, a cafeteria, kitchen, library, study hall, academic offices and washrooms. A second project will add physical education, band, shower and athletic facilities adjacent to the existing gym.

The present building would be remodeled to expand the cafeteria, all-purpose room and homemaking department.

The proposed plant would accommodate a student enrollment up to 1,100. The present facility was designed to handle up to 650 students. Next year's enrollment is expected to tip 700.

Voting in the Feb. 11 referendum will be at three locations: Precinct 1 - the high school, for Antioch and Newport Township voters; Precinct 2 - Lake Villa grade school, for Lake Villa Township except sections 22, 35 and 36; and Precinct 3 - B. J. Hooper School, for these sections and parts of other sections in Lindenhurst and Venetian Village areas. Voting will be between 12 noon and 8 p.m., Feb. 11.

Precinct 1, with a population of 2,183 eligible voters, will have five judges. Precincts 2 and 3, with 662 and 278 eligible voters, respectively, will have three judges.

To be eligible to vote in the referendum, voters must be citizens, have resided in the county at least 90 days, and in the district for 30 days.

In approving the proposal, board members set a limit of 4 1/2 percent on high school bonds and in view of present market conditions expect the bid to be under 4 percent.

In other action, the board approved a new pay scale for teachers which sets the starting salary for beginners with a bachelor degree at \$4,800 annually, \$300 above the present salary, and \$5,200 for teachers with a master's, also \$300 more.

Under the system, maximum for those with a bachelor degree would be \$7,100, reached in 14 steps, and those with a master's degree, \$7,800, reached in 16 steps. These changes affect beginning teachers but mean no change for others.

Approved was a policy of paying (continued on page 7)

County U.S. Bond Sales \$4,796,462

Lake county residents purchased a total of \$4,796,462, in series E and H United States Bonds last year, according to Philip L. Speidel of Lake Forest and John Meade of North Chicago, general county co-chairmen of the Savings Bonds Committee. This represents 71.9 per cent of quota for the county. The county quota for 1961 has been set at \$6,059,800.

Sales in the state of Illinois of both series in 1960 totaled \$349,825,216, according to T. Merle Paul, state director of the U. S. Savings Bonds Division. This was 2.2 per cent less than sales of \$357,883,773 in 1959.

Margaret Gaston Hospital Patient

Mrs. Margaret Gaston, publisher of The Antioch News, is a patient at Tipton Memorial Hospital, Room 209, Tipton, Ind. Mrs. Gaston underwent surgery Monday and expects to return to Antioch within 10 days.

In the same hospital is her son, Howard Gaston, owner of Howard Gaston, Printer, Inc., who underwent surgery Friday.

Map '61 Improvement Plans

Plans for next year's activities as well as reports on the last quarter's business will be presented to delegates in attendance at the meeting of the Lake County Federation of Improvement Associations scheduled for 2 p.m. Sunday, Jan. 29, at the Grant Township Hall in Ingleside.

Elmer Barnes, Antioch, who has had experience in eight states in real and personal property tax valuations, has been invited to talk on "What a Property Owner or Improvement Association can do about taxes."

There will also be reports on the Lake County Health Department and plans for next summer's pollution testing program by Robert Flakamp, Federation president and member of the Lake County Health Board; Citizen's Committee on feasibility of a Public Works Department for Lake County by Julia Chonis, Federation Secretary and member of the committee.

Among reports from member associations, one of special interest to other associations with similar problems will be given by Charles Lindholm of Fox Lake Hills. He will discuss plans for the establishment of a sanitary district for the Fox

Lake Hills area. Weekly inquiry meetings are now in progress with representatives of various engineering, bonding and law firms.

Delegates will be called on to fill one vacancy on the board of directors; to approve the naming of qualified interested persons in pollution, police, public relations, zoning and other specialist fields as advisers to the board of directors; to vote on a possible change in the hour and date of quarterly delegates meetings.

The delegates meetings are open to all interested persons in this area. They can enter into any discussion, make suggestions, submit problems. The only limitation is that delegates of associations in good standings may vote on issues.

Select Candidates

By Mrs. Bernice Bernau

LINDENHURST - Ted Flanagan, for president, heads up a slate of candidates nominated by the Citizens Party of Lindenhurst in caucus last Sunday. Others nominated are: village clerk - Larry Klamfoth, Jr.; police magistrate - Ray Caldwell; trustees - Lowell Graves, Albert Hart and Warren Flint.

Promoted

James R. Cole, USN

James R. Cole, USN, has been promoted to Fireman (FN) according to word received here by his parents, Mr. and Mrs. Harry D. Cole, 842 N. Main St.

FN Cole has been transferred from B Division to A Division at his station in California where he is now a machinist's mate taking care of air conditioning on the carrier, the USS Princeton.

DEAR READER News Editorials

A State Income Tax? NO!

Illinois residents can expect to hear more and more talk about a state income tax in the future. What becomes of the talk remains to be seen.

Governor Otto Kerner has said he is against such a tax, proposes a possible boost in the sales tax to ease budgetary problems. Ex-Gov. Stratton made a point of stressing his anti-income tax stand. Both parties are against the move.

Yet, the issue keeps rearing its head.

A report to the Illinois Education Association's recent convention in Chicago called for graduated income taxes at the state level. At that time an official of the state's Teachers College Board said an income tax is needed to pay for higher education in this state.

In spite of any support state income taxes may have, it seems likely that politicians on the state level will honor their promises and steer clear of any attempts to secure revenue from this source. Too many of their constituents would be out after their hides if they didn't.

President Kennedy has vowed stepped-up Federal aid. This may ease the burden, somewhat. But the fact remains that the governor and legislators face a knotty problem when it comes to picking up the tab for education in this state.

A state income tax isn't the answer, someone will have to be clever enough to come up with a solution — one that is workable and acceptable to the taxpayers.

The Coming Referendums

Village and township residents will be called upon to make two major decisions in coming weeks when they vote on the \$925,000 issue for expanding high school facilities Feb. 11, and the \$325,000-bond issue to help finance a village program of sewer and water construction, Feb. 25.

There can be no doubt that the mounting school population demands a program of expansion.

With an enrollment of over 700 in a plant designed to handle approximately 650 and with an increased enrollment of over 750 expected next fall . . . with projections pushing expected enrollment over 1,000 in the next few years . . . with the need for added facilities to ease the crowding and to bring teacher-pupil ratio within levels necessary for top-flight instruction . . . not counting the areas of teacher and pupil morale, a physical plant that will help attract and retain the best possible teachers and many of the other factors that go into the make-up of a first-class educational plant . . .

Antioch Township needs a bigger high school.

A second issue of importance — that of sewer and water facilities — will be voted upon Feb. 25. Village officials, prodded by state agencies, have given a long, hard look at our disposal system and the problems of sanitary and storm systems in a growing village.

State officials, professional planners and engineers agree the present system in the village is inadequate, and grows more so as time passes. The state has demanded that Antioch provide "proper sanitation."

When this is done, then and only then has the community taken the first and most important step to provide for the general welfare of the entire community.

The problems are crystal clear to all. They must be solved if Antioch is to grow and prosper. And they can only be solved if residents pledge their support. A "yes" vote Feb. 11 and Feb. 25 is a pledge of that support.

Courthouse Notebook —

BY LOU DURKIN

Refusal of the Republican leadership in the 19th Judicial Circuit counties of Lake and McHenry to sit still for a coalition deal with the Democrats cost Probate Judge Thomas J. Moran a free ride in the special April 4 election, but Judge Moran isn't likely to complain.

Durkin

The Democrats reportedly approached the GOP leaders and agreed to endorse Judge Moran if the Republicans nominated only three judges next year when a fourth jurist is to be added to this district.

Naturally, the Republicans, still holding the whip hand in the two counties at the local level at least, rejected the proposal so the Demos went ahead Monday night and nominated Phil Yeager, a Lake Bluff resident with offices in Waukegan.

The two judicial conventions offered an interesting study in contrast with the Republican gathering rolling toward its pre-arranged climax with unfruffled precision while the Democrats appeared uncertain and amateurish by comparison.

Any opposition to Judge Moran's candidacy had been eliminated well before the convention in McHenry last week, although Assistant State Attorney Eugene Daly let it be known that he was available for the nomination should something unforeseen develop.

The business of organizing the convention proceeded smoothly with various delegates being assigned motions and seconds before McHenry County chairman Chuck Miller, convention host, called the delegates to order.

With McHenry County Judge Cooney seated as permanent chairman special committees were appointed and handed their reports which were made quickly and smoothly setting the stage for Lake County chairman Bob Milton to nominate Judge Moran.

With nobody else in contention the nod went to Judge Moran by acclamation.

There appeared to be no grumbling or misgivings about the outcome, but there was some amazement at the organization and smoothness of the operation.

Most of the delegates to the convention were satisfied that in Judge Moran the GOP had an outstanding candidate who would continue to bring credit to the party and to Lake County and they were willing to go along with what could have been termed steamroller tactics under other conditions.

The Democrats on the other hand weren't even sure about the permanent chairman and North Chicago Mayor Tony Macrowski seemed shaken when his name was placed in nomination for the post, but he withdrew in favor of Lake County Chairman Ray Jadrich.

There was a feeling the Democrats were just going through the motions despite the efforts to build up Yeager and Algonquin Attorney Joseph Coleman in nominating speeches.

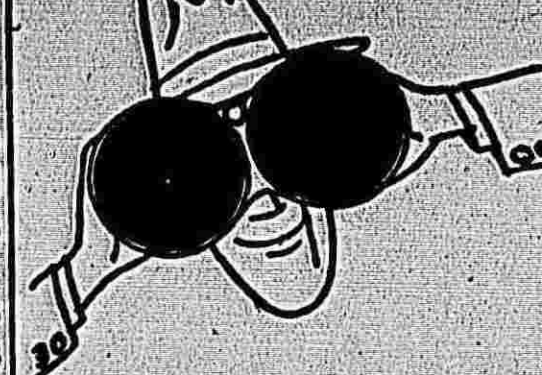

The Demos voted along county lines on the first ballot and then the McHenry contingent threw in the sponge and went along with Lake County's choice.

The Antioch News

Page of Opinion

For The Record

Lou Durkin, columnist and publicist for various Republicans of the Waukegan area, dropped by the other day. Said the wailing and gnashing of teeth about his announced last-minute candidacy on the GOP ticket for mayor of that town isn't strictly kosher.

Durkin, publicist for Harry O. Kilbane, also a candidate, said he notified Kilbane of his intentions the day before he filed and severed any business relationship that might have existed between them. Says adequate notice was given all parties concerned.

And on the subject of Waukegan, it's being handled about that one candidate was seen last week at the funeral of a prominent church leader or shaking hands among mourners and constituents and doing all but passing out business cards. If true, this candidate is fair game for well-deserved shafting from the voters come April. Weddings, anniversaries, barn raisings and cockfights, yes . . . but funerals would seem to be verboten.

Rumor can come up with surprising results. Last weekend the story was making the rounds that a businessman of this area, in an effort to change the status quo, pulled out an equalizer and blasted his mate. The story moved as far afield as Waukegan in a matter of hours. And turned out to be . . . strictly rumor.

Within the past two weeks, elected officials have authorized referendums on issues totaling well over a million dollars. Officials concerned spent many a session hammering out details, weighing the issues, discussing pros and cons.

But where was the citizenry when these decisions were reached? We understand that not one plain, average John Q. turned up at either the village board or school board meeting to hear proceedings and to witness first-hand just how our officials arrive at such far-reaching decisions.

We've been told that officials welcome observers at public meetings. Chances are, the average citizen hies himself to such a meeting only when he has a pitch to make.

In a neighboring community all major organizations coordinate and select one representative between them to sit in on each public meeting . . . one will cover the council, another the school board, another the park board, etc. This representative then prepares a report which is disseminated through all the organizations concerned. Thus all are kept informed . . . and officials kept on their toes.

Seems a logical and democratic way to operate.

Your State Senator Reports

By State Sen. Robert McClory
Republican—Lake Bluff, Ill.

Citizens of Lake, McHenry and Boone Counties may regard Congressional reapportionment as the major task of this session of the Illinois General Assembly.

Federal law requires the realignment of Congressional districts in Illinois to reflect the 1960 census figures, and to reduce the number of Illinois districts from 25 to 24. If the Illinois General Assembly fails in this task all Illinois candidates for Congress will be compelled to run "at large" (throughout the entire state) in the 1962 elections.

The responsibility falls most seriously on the shoulders of this State Senator and other members of the Illinois Senate and House of Representatives who come from counties which have undergone rapid growth in population. For instance, the population increase in both Lake and McHenry Counties has been more than 63 per cent while Boone County's growth is almost 20 per cent above the 1950 census figure.

The 13th Congressional district which combines Lake County and a number of townships of Cook County has a 1960 population of 900,000; the largest in the state and one of the most populous Congressional districts in the nation. The 14th district, in which McHenry County is located, numbers more than 600,000 people in its borders.

While these rapid growth trends have occurred in our progressive counties, the trend in eight other Congressional districts has been a substantial numerical loss of population. Five of these districts which have sustained losses of population are in the City of Chicago. For instance, the First District represented

in Congress by Representative William L. Dawson suffered a reduction in population from 323,000 to 230,000.

The task before the Illinois General Assembly is to establish the Congressional districts upon the basis of the 1960 census figures, and to form districts of compact and contiguous territory having populations as nearly equal as possible. Dividing Illinois' total 1960 population of approximately ten million by the 24 districts to which we are entitled, we discover that each of the newly formed districts should have an average population of about 416,000 or less than one-half the population of the present 13th district, and about 50 per cent under the present 14th District total.

One way of redistricting our area would be to form Lake, McHenry and Boone Counties into a new Congressional district with a total population just under 400,000. This would be well within the range contemplated as an average figure for each of the 24 new districts. Also, such a district would meet all of the tests of compactness and contiguity, and would combine areas having common interests. These same counties are already united in forming the 52nd Senatorial District and a substantial part of the Second Appellate Court District, and in other major respects.

It is to be hoped that selfish local interests may be set aside and that Republican and Democratic members of the Illinois General Assembly may demonstrate their statesmanship in bringing fair and equitable realignment of Congressional districts to all Illinois citizens. This merits the closest attention and support of the people of Lake, McHenry and Boone Counties.

State Auto Plate Deadline Feb. 15

Motorists who haven't yet applied for their 1961 Illinois license plates had better get a move on.

Sec. of State Charles Carpentier today urged motorists who plan to submit their applications by mail to do so within the week in order to be sure of having their plates in time for the Feb. 15 deadline.

Carpentier emphasized that Feb. 15—which is just less than three weeks away—is the deadline for displaying plates, not for applying for them.

Carpentier said state registrations have reached about the half-way mark. At the close of business last week, a little more than 2 million applications had been received. Registration is expected to total about 4 million.

Persons not having their plates on their vehicles by Feb. 15 will have to discontinue using their cars or run the risk of arrest for failure to display current plates, Carpentier said.

Hospital Notes

Two Lake Villa residents, Mrs. Fred Meier and Mrs. Walter Gorka, were listed as medical and surgical patients this week at Condell Memorial Hospital, Libertyville.

A Lake Villa couple, Mr. and Mrs. Phil Rezin, are parents of a boy, born at the hospital.

Advise Skiers on Safe Winter Driving

Skilling is becoming more popular in America each year, and today an estimated five million skiers "follow the snow" during winter months. Since many of these ski fans drive to areas where snow and ice conditions are best for the sport, the Chicago Motor Club offers these suggestions for safe driving:

- 1—Maintain an even speed when climbing icy hills or slopes.
- 2—Use low gears when descending icy hills. Allow your auto's engine to act as a brake.
- 3—Never slam on your brakes if you are driving on glare ice or snow. Always remember that stopping distances are greatly increased on ice and snow.
- 4—Carry sand, rock salt, or other abrasive material in the event your car becomes immobilized on slippery spots.
- 5—Avoid sudden driving maneuvers if at all possible. Try to make gradual movements when driving on ice or snow.

Letters to The Editor

SIR: You've always done an excellent job on interpretation and general reporting in connection with the activities of The Salvation Army . . . but the coverage you provided in 1960 was outstanding.

During this 75th anniversary year of The Salvation Army in Chicago, you helped us make more people more aware of the Army's history and comprehensive program than ever before. This has been reflected in the kind of continued public support which makes it possible for The Salvation Army to offer help to all the distressed of every creed and color.

Thank you. It is a pleasure to work with your newspaper and staff. May the New Year be the prosperous one for you that your efforts deserve.

Sincerely,
Henry S. Distelhorst
Public Relations Counsel

To:
Mr. Karl Berning, Chairman
County Board of Supervisors
County Courthouse
Waukegan, Illinois
and
Mr. August Cepon, Chairman
Public Buildings Commission
County Courthouse
Waukegan, Illinois
DEAR SIRS:

The Association of Collective Taxpayers is anxious to bring to your immediate attention an important matter affecting all of the taxpayers and voters of Lake County. It is the earnest desire of ACT that you and the other members of the County Board of Supervisors and the Public Buildings Commission who are presently considering the construction of a new Lake County court house will act in concert with the best interests of all of the citizens of Lake County. As you know, the Association of Collective Taxpayers is dedicated to economy and efficiency in public office.

We sincerely recognize the need for a new courthouse in Lake County but are temporarily reserving judgment on the amount of money to be spent and the proposed method of financing. For this reason we expect to watch with considerable interest as you proceed with plans for the erection of the new courthouse.

Of primary importance to our Association at the present time is the purported cost of this new courthouse. You will recall that in November, 1958, the voters and taxpayers of Lake County failed to authorize by a substantial majority the sale of \$2,550,000 general obligation bonds to finance the construction of a new courthouse. We have been advised recently that the cost of the proposed courthouse has been doubled or tripled so that the ultimate cost will be between \$5,000,000 and \$7,000,000 and that another referendum will not be held inasmuch as the cost of construction is to be financed by the sale of revenue bonds rather than general obligation bonds.

The Association of Collective Taxpayers feels very strongly that the taxpayers of Lake County are entitled to considerably more information than has been made available to date if they are going to be expected to support this program.

Numerous questions from interested taxpayers will undoubtedly arise but our Association would like to submit the following questions to which all taxpayers are entitled an answer:

- (1) What is the present estimated total cost of the construction being contemplated?
- (2) What money is presently available to finance construction and from what source is it available?
- (3) How will remaining money be raised?
- (4) What is the annual fee earning capacity of the various county offices and how much of this money is available for retirement of proposed bonds?
- (5) What have been the annual savings effected by elimination of Township Collector's offices in 1958 and where have these moneys been accumulated or spent?
- (6) What sales tax moneys collected from the unincorporated areas of Lake County have been set aside for either courthouse purposes or the erection of a county office building in a central location in the County?
- (7) What are the advantages and disadvantages to the taxpayers in issuing revenue bonds rather than general obligation bonds?
- (8) What legal remedies are available to the taxpayers in the event they do not approve of the amount being spent to build the courthouse or the proposed method of financing?
- (9) Has the County Board of Supervisors or the Public Buildings Commission authorized a professional survey or study of the needs of the County—now and twenty years from today?

The answers to these and many other questions should be made available to the taxpayers at the earliest opportunity through the Antioch News, and all other newspapers published throughout the county. Printed information should

also be made available for distribution at all annual township meetings the first Tuesday in April so that individual taxpayers may have an opportunity to express their sentiments to each Township Supervisor. Only through the unreserved endorsement of a completely informed public can the Board of Supervisors and the Public Buildings Commission expect the already overburdened taxpayers of Lake County to assume any greater responsibility for the operation of their public offices.

Since it is extremely impractical or impossible for most taxpayers to attend the daytime meetings of your groups, it is almost imperative that this information be disseminated as widely as possible if the public's confidence in their elected officials is to be restored. Your cooperation in providing the taxpayers with this badly needed information will be greatly appreciated.

ASSOCIATION OF COLLECTIVE TAXPAYERS
Orrin W. Romer, President

Dear Sir: As General Chairman of the 53-MINUTE MARCH ON CEREBRAL PALSY, I should like to take this opportunity to express my appreciation to everyone who helped make the Jan. 15 March a success.

Although all of the contributions are not yet counted, United Cerebral Palsy is assured of enough funds to continue its services, its research and training programs for the coming year. This is due to the wonderful support by your chairman, neighborhood captains and marchers, and by the people of your community who so generously opened their doors and their pocket-books to help those who are not able to help themselves.

It is impossible to list all of those who made our March a success, but I should like to recognize the devoted efforts of the following chairmen who gave untold hours to the cause in the last two months:

Mrs. Robert Lubkeman, Rt. 4, Box 299, Antioch, and Mrs. John H. Mitchell, Lachanda Farm, Mundelein, overall chairman of Lake County.

May I also express my appreciation to the banks who assisted our chairmen in accounting for the contributions, and to the police department who provided the necessary protection on the day of the March.

Last, but not least, I would like to acknowledge your newspaper's contribution in alerting the citizens about the drive and the need for funds to continue our services. We sincerely hope that we may continue to have your friendship and interest in the future.

Mrs. Warren G. McPherson,
General Chairman

Wins Fishing Award In Miami Tourney

William Haisma, Route 2, won recognition for good Sportsmanship last week in the Metropolitan Miami Fishing Tournament when he caught and released eight snapper. His act in helping to conserve South Florida's excellent fishing will be recorded on the front page of his personalized copy of the Year Book and will be considered by the judges in the awarding of Sportsmanship award plaques and trophies at the end of the Tournament April 16 for the freeing of surplus game fish.

The fish which he released were part of a catch, including 26 snapper and five grouper which he kept for eating or mounting. The fish were entered at Bud 'n Mary's Boathouse in the Florida Keys.

UI Specifies Fee For Undergraduates

CHICAGO—A \$30 deposit which will be deducted from first semester tuition and fees will be required of all new undergraduates applying for admission to University of Illinois effective Sept. 1, 1961.

Under a plan approved here by the Board of Trustees, the non-refundable deposit will not be required of foreign students residing outside the United States, and it will not apply to students entering the University in February or next summer, nor to students seeking readmission.

Tours With Wheaton College Choir

Daniel P. Justus, son of Mr. and Mrs. A. Justus of Rte. 3, Lake Villa, is one of 53 students from Wheaton (Ill.) College on tour with the college choir.

Justus, a freshman student, sings bass with the choir. Their itinerary includes concerts in Ohio and Michigan.

Choir members are making their annual mid-winter short tour during the brief recess between semesters. A longer tour is scheduled during the spring vacation.

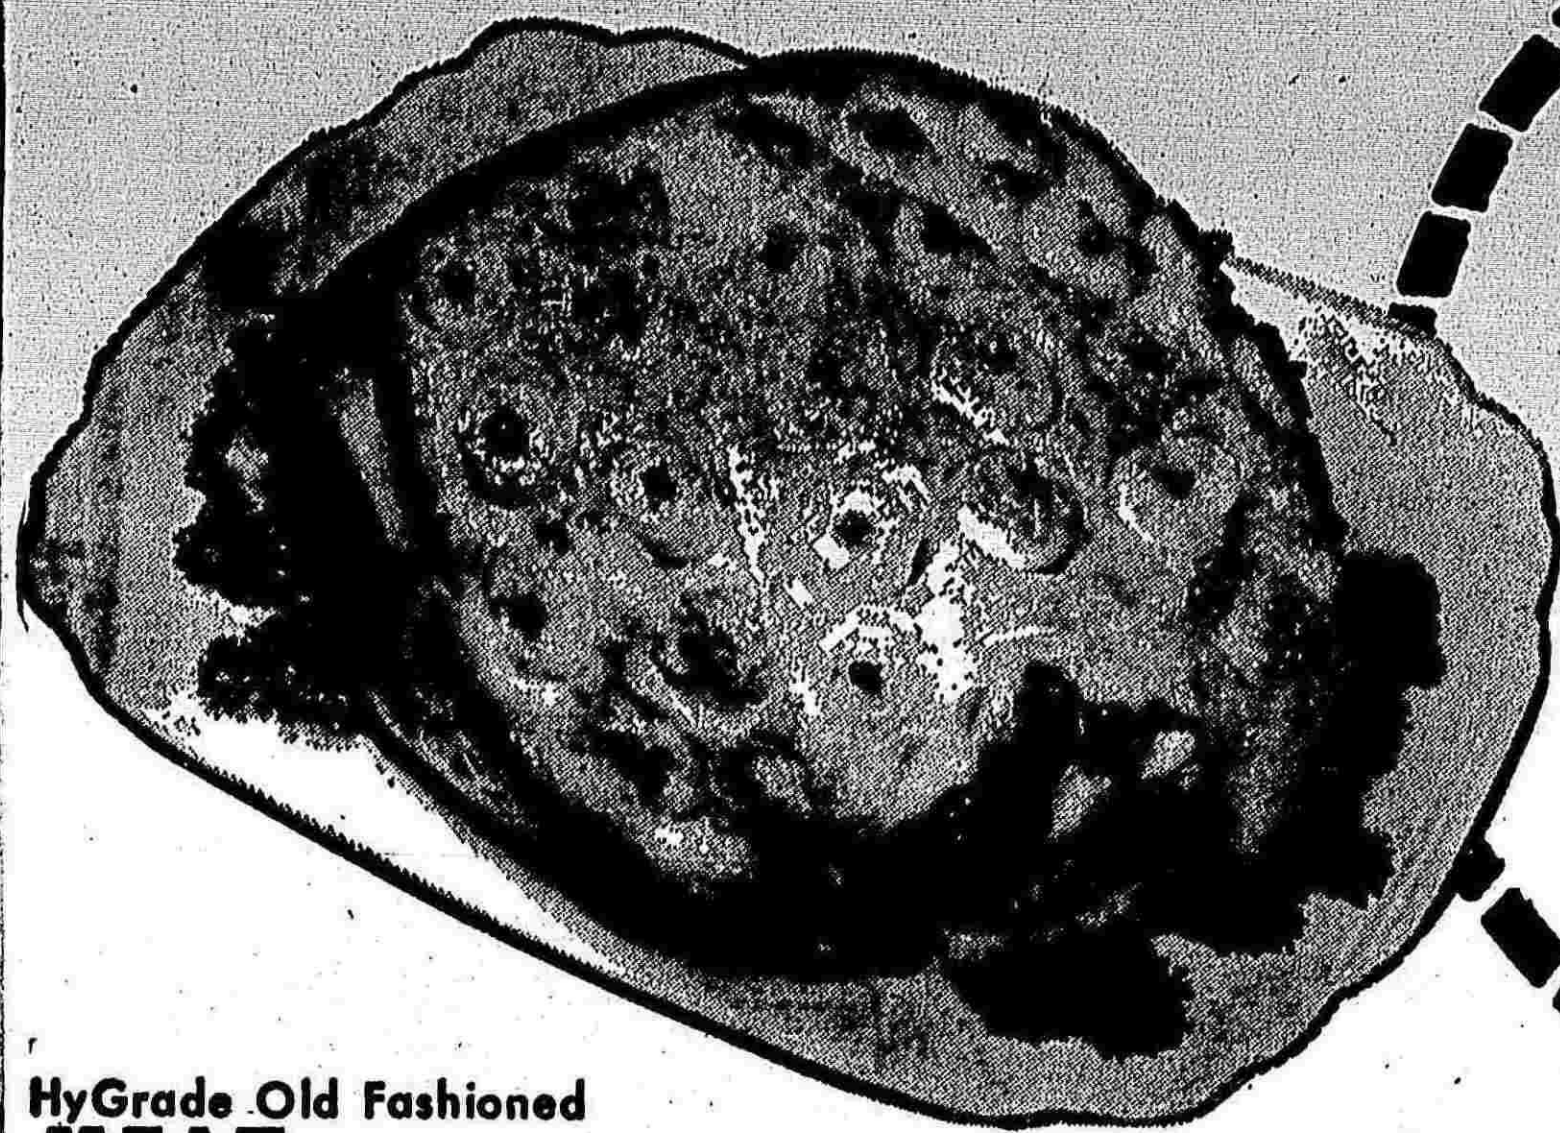

Next Stop Formosa

The island of Formosa is the next stop for Chief Noland H. (Dave) Davis, his wife, Jean, and son, Bill. Chief Davis has received assignment orders from the Navy sending him to Formosa. His family is expected to accompany him.

Millburn Ladies Society To Hold Roast Beef Dinner

By Mrs. Frank Edwards
MILLBURN — The Ladies Aid will serve a cafeteria beef dinner at Millburn Church Thursday, Feb. 2, at 12 noon. Mrs. Howard Bonner is chairman of the dinner and will be assisted by a committee of Mrs. Harley Clark, Mrs. Lyman Thain, Mrs. Anna Bauman, Mrs. Roy Bolter, Mrs. George Derer, Mrs. Lloyd Miller, Mrs. Edward Kidera, Sr., and Mrs. Laurence Snell. The business meeting of the group will be held in the church parlors at 1:30 p.m. In connection with the dinner a "What Not" sale will be held and members are asked to make donations to this sale. Everyone is welcome.

The Millburn Maidens 4-H club held their organizational meeting at Millburn Church Thursday evening, Jan. 12. Officers for the coming year were elected. They are Linnette Murrie, president; Cheryl Denman, vice president; Mary Jane White, secretary, and Mary Paulsen, treasurer. The last meeting of the group was at the church, Jan. 23.

Mrs. Lyman Bonner and daughters, Nancy and Kathy, were dinner guests of Mr. and Mrs. Leonard Stanczak of Waukegan, Sunday.

Mr. and Mrs. Larry Bascomb and daughter, of Beech, were Sunday dinner guests at the Herbert Graham home.

Mrs. Walter Fontaine and son, Danny, of Gurnee were luncheon guests of Mrs. Harley Clark Thursday.

Mr. and Mrs. Eugene Hertling of Chicago, and Mr. and Mrs. Bill Harper of Glenview, and Mr. and Mrs. George Butler were Sunday dinner guests at the home of Mr. and Mrs. Herbert Messner.

Mrs. Harley Clark and son, Glen, spent the weekend with the Raymond Hauser family at Menominee, Mich.

Mr. and Mrs. Don Voightlander and children of Milwaukee were callers at the Herbert Graham home Sunday afternoon.

Regular services are scheduled for Millburn Congregational church Sunday, Jan. 28, with Sunday School and Church services at 10 a.m.

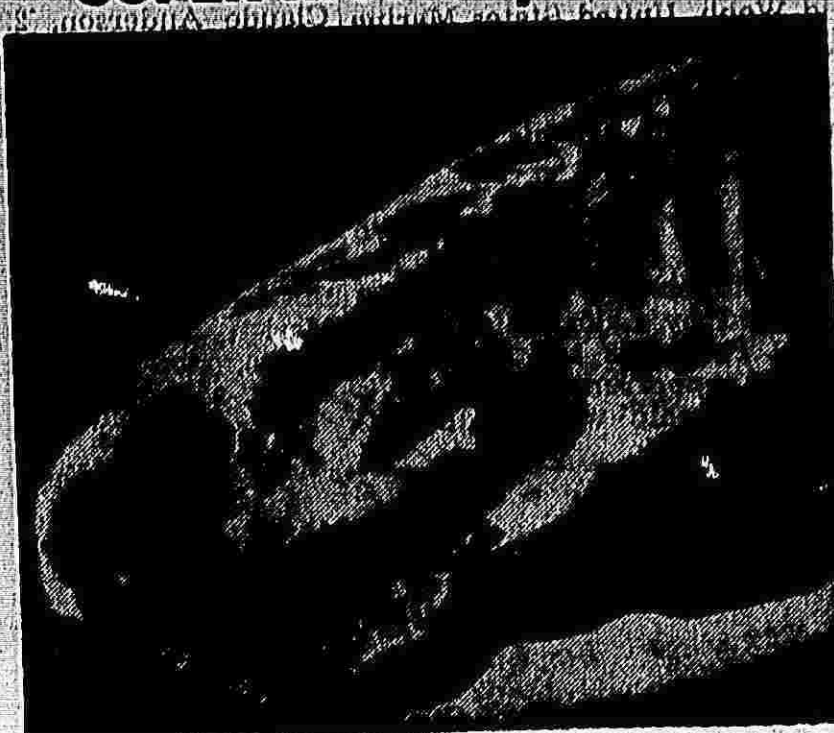

The six children of Mr. and Mrs. Robert Russ were baptized in services Sunday morning.

About 30 members and guests of the Couples Club were present last Tuesday evening at the church. Mr. and Mrs. Ernest Stone joined the club. Pot luck dinner was served at 7 o'clock by the hosts, Mr. and Mrs. William Paulsen and Mr. and Mrs. George Murrie. The next meeting will be held at the church Tuesday evening, Feb. 21. Hostesses will be Mr. and Mrs. J. H. Messersmith and Mr. and Mrs. Milton Anderson.

Mr. and Mrs. Glen Luthi of Chicago spent Saturday afternoon at the Charles Lucas home.

Miss Alice E. Smith Honored On 93rd Birthday By Christian Service Group

Miss Alice E. Smith of Antioch, retired high school teacher, was honored guest Wednesday, Jan. 18 in celebration of her 93rd birthday at a meeting of the Women's Society of Christian Service Alice Circle. The meeting was held at the home of Mrs. L. C. Scott.

Miss Smith, in addition to being honored guest on the occasion, was also speaker of the afternoon and discussed "Methodist Home Missions." She was presented with a gift and a birthday cake by the Circle.

Well-known in Antioch for her extensive activities in church and civic affairs, Miss Smith formerly taught Latin and American History at Antioch Township High School before her retirement 21 years ago.

Miss Alice E. Smith

Antioch Assembly Visits Harvard

The Antioch Assembly, Order of Rainbow for Girls, visited the Harvard Assembly last Saturday, for Harvard's installation of officers. Miss Dee-Stillson of Antioch, Grand Representative to North Dakota, was installing officer and Miss Joan Wagner, Antioch Worthy Advisor, was installing chaplain.

On Wednesday, Mrs. Wilma Gibbs accompanied Miss Joan Wagner and Miss Stillson to Chicago Heights for the official visit of the grand worthy advisor, Miss Valerie Knox, to the Chicago Heights Assembly.

Thursday evening, Antioch Assembly members will visit the Waukegan Assembly for the official visit of Miss Knox.

Antioch Assembly members will join the Millburn DeMolay Friday evening in their installation, as escorts for the boys.

Those girls wishing to go with Miss Stillson to the Grayslake installation on Saturday should contact her by Friday.

Women Lay Plans for Benefit Sale; Pair Injured in Crash in Tennessee

By Bernardine Long
CROOKED LAKE OAKS—The Ladies' Auxiliary of the Crooked Lake Oaks Improvement Association held their meeting Thursday, Jan. 19, at the home of Margaret McNeil. Helen Fath was co-hostess. The women stated that they were happy with the quality of sand that was placed on the beach and over the ice on the lake within the last two weeks. 180 yards of sand were ordered by the Ladies' Auxiliary.

The women also voted to give \$25 to the Countryside Hospital Fund from the proceeds of their bake sale held last December. It was also decided at this meeting to start making plans for a potluck dinner in June. More will be discussed at future meetings.

Cecile Mann, Ann Splichal, and Eileen Stann, representatives of the Ladies' Auxiliary for all the meetings of the combined Lake Villa organizations for the benefit of the Countryside Hospital Fund, gave the women a resume of what took place at the meeting on Jan. 16 at the home of Mrs. June Eckert, Lake Villa. The ladies from our subdivision will be in charge of the ladies' clothing for the rummage sale to be held in March and will be responsible for sorting clothes on Thursday evening, March 9, and for selling on Friday, March 10, 9 a.m. to 9 p.m., and also on Saturday, March 11, 9 a.m. to 2 p.m.

At least eight women from our Subdivision will be needed at all times and we ask all the ladies of Crooked Lake Oaks to take at least one turn in selling or sorting clothes during the rummage sale. If you feel that you can also join with the ladies that have already given their names, contact Cecile Mann or Bernardine Long, El. 6-7775. The bake sale for our section is for Saturday, March 11.

Mr. and Mrs. Arthur Gelden, Deep Lake Rd., returned from a week's vacation in Gordon, Wis. Mr. Gelden states fishing was good, but Mrs. Gelden says it was too cold for her—28° below zero. Grandma (Mrs. William Gelden, Sr.) had a vacation, too, and stayed with her other son and his wife, Mr. and Mrs. Edward Gelden, Deep Lake Rd.

John Van Hilst, Edgewood Ave., and O. L. Duffy, Pine St., were among the men making pancakes for the Pancake Breakfast sponsored by the Holy Name Society of Prince of Peace Church, Sunday, Jan. 8. Now the men have mastered the art, they may be making pancakes every Sunday morning for their families from now on.

Mailman Delbert L. Sherwood

has been released from St. Therese hospital.

Mr. and Mrs. William Seifert and son, Bill, Willow Street, were on their way to Decherd, Tenn., on Saturday, Jan. 21, for the funeral of Mrs. Seifert's father, Tom Collins, when they were involved in an accident. Mr. Seifert was taken to the hospital for shock and for observation. He was released the same evening. Mrs. Seifert was taken to Midwest Baptist Hospital of Nashville, Tenn. (Room 3305A). She sustained a broken right arm and leg and broken cheek bone. Bill came through all right.

Members of the Lake Villa Community Methodist Church invite area residents to attend the Life of Christ movie series taking place in the church sanctuary at 3:30 and 7:30 p.m. every Sunday. The series began earlier this month and will continue for 12 consecutive Sundays.

Rainbow Advisor Board Elected

On Monday, Jan. 23, members of the Eastern Star and Masonic Lodge were elected to the 1961 Advisory Board for the Antioch Assembly of Rainbow for Girls. Emil Kirschbaum was elected chairman; Jeanette Brown, secretary. Board members are Mrs. Alice Lassen, Mrs. Lida Frasier, Mrs. Hazel Parfitt, Mrs. A. Jennrich, Mrs. Lillian Patak, the Rev. Wallace Anderson, Harold Kleven and Herb Pauli.

This new board elected Mrs. Wilma Gibbs to serve as Mother Advisor for the coming year.

RAINBOW INSTALLATION

The Antioch Assembly, Order of Rainbow for Girls, met Monday evening in the Masonic Hall. Miss Gloria Wiegart was received into the order. Worthy Advisor Joan Wagner gave a report of the many activities she supervised during her term of office.

Miss Jill Anderson, Worthy Advisor elect, announced her appointed officers. She reminded the girls of the installation on Feb. 4 at Wesley Hall, and of practice for installation at 7 p.m. Monday, Jan. 30, also in Wesley Hall.

Miss Jane Lassen and her committee served refreshments.

Voters to Decide Channel Lake School Issue Jan. 28

By Mrs. Pearl Kapell

CHANNEL LAKE—The proposed addition of a gymnasium to the Channel Lake School was the main topic of discussion at the meeting of the PTA on Jan. 18.

Before calling on Board of Education members to explain the proposed referendum, President Mary Elberman disposed of other business before the club. Elmer Melerdick and Gene Serhon reported on progress on a minstrel show to be sponsored by the PTA. The date for the show has not been set.

Mrs. Sobey's room won the room count for the most parents present. The reward is a picture, purchased by the PTA, which is hung in the winning room until won by another room.

Board members Lee McKinney, Elmer Elberman, Elmer Melerdick and dDick Horland were present to discuss the proposed addition to the school and answer questions from the audience.

Elmer Elberman displayed plans of the interior of the proposed addition. It includes a gym 66' x 45', a kitchen 17' x 25', kitchen storage room, a girls' washroom, a boys' washroom, boiler room and a stage 14' x 29'. The gym will be fitted with steel tables which fold into the wall, so that it can be used for a lunchroom. Cost of the building is estimated at a maximum of \$60,000.

Elberman pointed out that taxes on a home with an assessed valuation of \$5,000 would be raised \$5.73 a year by the passing of the referendum. He had figured out that if each taxpayer smoked one and one-half fewer cigarettes a day, it would pay the increase in his taxes, at the \$5,000 valuation.

The referendum will be voted on Saturday, January 28, from noon to 7 p.m., at the Channel Lake School. All persons over 21 who are eligible voters, have resided in the state at least one year, the county 90 days and the school district 30 days may vote on the matter. It is not necessary to be a registered voter nor to own real estate in the district to vote.

Whether or not a gym is a necessary addition to a grade school is a matter that could be argued pro and con indefinitely without opposing factions reaching an agreement on the subject. It is well to consider, though, that it is not too many years since many adults scoffed at the need for a high school education for young people, at the addition of art, music and technical training to school curricula, and at the activity of pupils in various sports, such as basketball.

Yet many young people are fitted for good jobs because of early training in any of these fields, and many more lead fuller, happier lives because of the interest they have developed in them. Whether or not we approve, this is the way of life in America today. We can't change that way of life by refusing to vote for improvements in our schools—we can only make it more difficult for our young people to compete with youngsters from areas whose taxpayers are more willing to invest some of their money in the youth of the community.

Routine business of the school was discussed at the meeting of the Board of Education of Channel Lake School on Tuesday, Jan. 17. The board inspected and approved the painting of the southeast hall of the school. Secretary Mary Chase announced that all arrangements had been made for the vote on the gym referendum Saturday, Jan. 28.

The ladies of the Felter's Subdivision birthday club helped Mrs. Madeleine (Grandma) Tulp celebrate her birthday on Jan. 11. Grandma's birthday was Jan. 33, but the party was delayed a week because Mrs. Tulp was not at home. Some 15 ladies joined in an afternoon of entertainment and refreshments.

During the afternoon, slides were shown of the trip to Tacoma, Wash., made recently by Mr. and Mrs. Harold Wilson, Sr., and of their new granddaughter, who is Mrs. Tulp's great-granddaughter. Mrs. Wilson flew to Tacoma on Dec. 11 to see the new arrival, Debby Jean, daughter of Mr. and Mrs. Harold Wilson, Jr., who was born Dec. 7. Harold is serving in the army at Fort Lewis. Mr. Wilson flew to Washington on Dec. 24. The Wilsons visited their son and his family until Jan. 3, then "jetted" home, traveling the 1734 miles in 3 hours and 24 minutes.

Mrs. Wilson arrived at her son's home in time to help the young couple celebrate their first anniversary on Dec. 12. Mrs. Wilson reports that Harold is a member of the pistol team at Fort Lewis, and that the bowling team of which he is a member were champions of the base. Harold, who is a private first class in the Medical corps, will finish his army service on March 1, and plans to return home at that time.

"Grandma" Tulp's birthday party was continued into the evening, when 12 more guests were invited in to celebrate the day.

Kadettes Under New Leadership

LAKE VILLA—The Lake Villa Kadettes, all-girl drill team, are now under the leadership of Sgt. Donald Webb, United States Marine Corps. Sgt. Webb is stationed at Great Lakes but his hometown is Phoenix, Ariz. He had his own drill team in Phoenix.

The Kadettes were organized two years ago and last year were the V.F.W. state champions. They are co-sponsored by Lake Villa V.F.W. Memorial Post 4308 and Auxiliary. Their first appearance under Sgt. Webb's leadership will be the St. Patrick's Day Parade in Chicago.

High games were bowled by Claude Anderson, 222; Tom Kaufmann, 213 and Wally Saran, 208. Doc Crist is high individual bowler with 182.53 average. Close behind is Bob Schartz with 182.47 average.

Patrick's Day Parade in Chicago.

At the mothers meeting last month the following officers were elected: Marian Dobsal, president; Mrs. Toben, vice-president; Joyce McCleod, secretary, and Betty Schneider, treasurer.

Sports Car Races

Race Chairman, Roy Fleischman, of the Lakeshore Car Club of the Midwestern Council of Sports Car Clubs has announced the running of the Seventh Annual Sports Car Ice Races. The event will take place at 12 noon on Sunday, February 12, 1961, on Brown's Lake at Burlington, Wis. Racing will be the top competition licensed drivers of the Midwestern Council and of the Sports Car Club of America, competing on a one-and-one-half mile sanded road course, featuring chicanes, tight angle turns and hairpin bends. A select group of Jaguars, Mercedes, Corvettes, Triumphs, and Austin-Healeys will battle for traction in this race, the only shoulder-to-shoulder sports car racing event held in the Midwest between October and May. The cars reach speeds near 100 miles per hour.

Ladies Organize Hospital Benefit

LAKE VILLA—The second annual rummage and bake sale planned for March 10 and 11 for the benefit of the new Countryside Hospital got off to a good start with the enthusiastic support of 26 women representing 16 area organizations who attended the recent organization meeting at the home of Mrs. June Eckert of Lake Villa.

The sale will again be conducted at the Lake Villa Grade School. On Friday, March 10, the doors of the school auditorium will open at 9 a. m. and close at 9 p. m. and on Saturday from 9 a. m. to 2 p. m. A wide variety of items will be sold, ranging from collector's items, heirloom glass, fur coats to inexpensive variety store goods. Donations of cakes, pies, cookies, etc., have been promised by the top homemakers in the area.

Women's organizations represented at last week's meeting were: the American Legion Auxiliary of Lake Villa by Undine Perkins and Leona Baba; Countryside Hospital Board, Mary Frances Groot, Elsie Heuer, and Jane Rundgren; Crooked Lake Oaks Improvement Association Ladies Auxiliary, Cecile Mann, Anne Spilchal and Eileen Stann; Deep Lake Woman's Club, Edna Cochran.

Also Ladies' Catholic Benevolent Association of St. Joseph's, Round Lake, Catherine Eichhorn; Lake Villa Woman's Club, June Eckert, Esther Malm, Sally Wilson; Lindenhurst Garden Club, Helen Skelton, Lorraine Shutt, Zelma Bechtel; Millburn Woman's Club, Vi Laurson, Ida Messner; Round Lake Beach First Baptist Church and Round Lake Beach Woman's Club by Elizabeth Blair, Mary Frances Groot; Stanton Point Association's Women's Auxiliary, Dorothy Heitman; West Miltmore Woman's Club, Dorothy Colbert, Harriet Bailey.

Also, Women's Auxiliary of Fox Lake Hills, Julia Chonis, Alice St. Roman and Grace Weathers; Women's Auxiliary to the Lindenhurst Men's Club, Lois Flanagan.

Representatives of the VFW Women's Auxiliary of Lake Villa and the Venetian Village Women's Club were unable to attend the meeting but they indicated that they will again work with the group.

Each organization will assume responsibility for the sorting, organizing and selling in a particular booth. The Fox Lake Hills Auxil-

ary will again take over the French Room; the Women's Auxiliaries of the VFW and American Legion, miscellaneous and accessories; Stanton Point and Crooked Lake Oaks, adult clothing; Lindenhurst Garden Club, kitchenware; Round Lake Women's Club and West Miltmore, children's clothing.

The Lindenhurst Women's Auxiliary, toys and games; Deep Lake, bake sale; Lake Villa Women's Club, furniture; Venetian Village, books and records.

Mrs. Messner and Mrs. Laurson of

Millburn and Mrs. Groot of Round Lake Beach will assume responsibility for the refreshments.

The next meeting is scheduled for Monday, Feb. 20 at 1 p. m. at the Eckert residence on Route 21, approximately 2 miles north of Lake Villa. Organizations not represented at the first meeting may still participate. Interested persons may call any of the above mentioned women or June Eckert at Antioch 2491, Sally Wilson at El. 6-5235, Julia Chonis at Ju. 7-0043 or Mary Frances Groot at Kl. 6-4284.

New Chicago Campus for Students Interested in Teaching as Careers

Prospective suburban-area college freshmen will be eligible to attend the new northside campus of Chicago Teachers College, according to a report made by Dr. Benjamin C. Willis, General Superintendent of Chicago schools, at a recent Board of Education meeting.

A team of architectural specialists and curriculum experts from all over the country first met as consultants early in December, 1957, under a Ford Foundation grant. Their recommendations were submitted to Dr. Willis for study, and incorporated into what is now believed to be the most forward plan for teacher education in the country and provide the most modern of physical facilities.

Under construction at Bryn Mawr and St. Louis Avenues, the new teachers college will begin classes in September, 1961, with an anticipated enrollment of approximately 1000 students, Willis' report said.

Four hundred new students will be admitted to the college as freshmen. They qualify by graduating from a four-year high school which is recognized by the State Superintendent of Public Instruction, by intending to teach in the public schools of the state, and by passing both a college aptitude and a physical examination. Legal residents in the State of Illinois for at least a year will be enrolled tuition-free, except for registration and student activities fees.

About 600 students now attending the Foreman and Sabin branches of Chicago Teachers College will transfer to the new campus. The Foreman branch will close at the end of the spring semester, and the Sabin branch will close at the end of the 1961 summer session.

Educating teachers for the kindergarten and elementary grades is the prime goal of the teacher college's program of education, with the curriculum emphasizing liberal arts, as conceived by its dean, Dr. Roy N. Jervis. Dean Jervis was formerly on the faculty of East Texas State College, as Director of Special Program for Science and Mathematics Teachers and Director of the Division of Earth Sciences.

Freshmen will be able to pursue majors in mathematics, art, social sciences, and other majors to be developed, leading to a Bachelor's degree and certification to teach in the elementary grades, Dr. Jervis says.

He also says the present program leading to the Bachelor of Education degree at Foreman and Sabin branches of Chicago Teachers will be continued for three or four years, thus enabling those students who will transfer to complete the program they have started.

Interested high school seniors may write to Admissions Services, Northside Chicago Teachers College, at its temporary office, 4626 North Knox Avenue, Chicago 30, Illinois for additional information, beginning February 20.

High School....

(continued from page 1)
\$30 per semester hours credit earned up to a maximum of five hours during summer school once every two-year period. This means \$150 per step. Second step places the teacher in the master's degree bracket.

A teacher committee presented four steps in the salary instead of two. The board referred the matter back to committee for further study.

In other action the board voted to purchase \$50,000 in short-term government bonds. The \$50,000 is in the treasury, earmarked for the district's yearly budget of \$550,000. Board members invest reserves for a profit, rather than allow them to lie idle, and cash in bonds as funds are needed. The district owns an additional \$310,000 in bonds to be used in this manner.

Bids on a 60-seat and 66-seat school bus will be obtained by assistant principal Warren Polley under instructions of the board. Polley reviewed the bus set-up and possible needs of the future. A fleet of six busses now serves district needs. If a seventh was purchased, a 1954 model bus of 52-seat capacity would be held for reserve use.

The board will meet Feb. 8 for further discussion of the referendum.

Cubs Prepare for District Meeting

By Mrs. Fred Bartlett
El. 6-5372

LAKE VILLA—The Cub Scouts of Pack 88, of Lake Villa will participate in the Scout-O-Rama to be held on the Lake County Fair Grounds on Saturday, Feb. 11. This show is presented by all the Scouts of the Northwest District.

Leonard Arado, Scout-O-Rama chairman has reserved a booth for the Scouts to exhibit their leather handicraft. Each Den will be given a certain time during which they will demonstrate the use of leather in Scout craft work. Tickets can be purchased from the boys. A need for Den Mothers in the downtown Lake Villa area is desperate, as some of the boys are without a Den because of the lack of leaders. All interested may contact Mr. Arado.

Mrs. Clara Machande, of Grand Ave., Lake Villa, had a party at her home recently, at which Stanley Products were demonstrated. Present were Mrs. Clara Richter, Mrs. Schutz, Mrs. Tom Emmett and Mrs. Robert Kammen.

The Royal Neighbors Officers Club met at the home of Marie Hamlin Wednesday afternoon, with dessert luncheon served by Marie Hamlin. Co-hostess was Georgia Avery. Also helping was Bertha Fish. Officers elected were Marie Hamlin, president; Georgia Avery, vice-president; Gerri Polson, secretary; and Helen Fish, treasurer.

Present were Gladys Schroeder, Velma Langosch, Eve Heuy, Cecile Blumenschein, Edna Botts, Helen Fish, Mathilda Bartlett, Bertha Fish, June Lett, Georgia Avery and Ann Veljkovic.

The next regular meeting of the Royal Neighbors of Cedar Lake Camp, Lake Villa, will be a pot luck at the Lake Villa village hall starting at 6:30 p. m., on Tuesday, Jan. 30.

Neighbors are to bring a dish to pass or dessert for the pot luck.

The VFW Auxiliary sponsored a dance at Downey Thursday evening, with the following present: VFW Auxiliary chairman Helen Keisler, Kay Kastig, Doris Blumenschein, Dorothy Barnstable, Lillian Gray, Janet Fruik, Joyce McCleod, Evelyn Whitmore, Arlyn Popp and Janet Keisler. Sandwiches and coffee were

207 Game High in Jr. League Bowling

School bowlers in the Coca Cola Junior League racked up above-average games here last week.

Bill Ozga, with a high game of 190, added games of 163 and 169 for a high series of 522. Dan Hamelberg, with 207, high game for the day, followed with scores of 159 and 148 for a 514 series.

Bob Lenczewski bowled a series of 502 with games of 180-163-139. Jerry Berke's 495 series had him fourth for the day with games of 175-145-170; Ed Thayer hit 486 with games of 122-177-187.

Monday Night Owl League

John's River Inn had high team series, with games of 894-902-888 for a total of 2682.

High individual scorer was Chuck Moran, who shot the high series of the year—720 with games of 225-287-238—720.

Nick's Shell Station (B. Erdman 504), 2½; Taylor's Shoe Store (B. Risch 527) ½.

Chase's "68" Service (Lee McKinney 547), 3; Four Aces (E. Kruse 473), 0.

John's River Inn (R. Olsen 534), 2; Sail Inn (H. Francke 501), 1.

Eckhoff Gas Co. (E. Hartnell 551), 2; Wally's Channel Inn, (N. Edwards 508), 1.

Klass Men's Store, (L. Gallagher 614), 3; Rockow Plastering (E. Gleich 507), 0.

Petersen TV (C. Moran 720), 3; Pittman Motors (W. Garver 425), 0.

The regular meeting of the VFW Auxiliary will be held Monday, Feb. 6, starting at 8 p. m. at the VFW hall. A silent auction will be held after the meeting.

The Canasta Club met at the home of Mrs. Fred Bartlett, Sr., Thursday evening, with the following present: Edna Botts, Helen Fish, Ann Nelson, Mrs. Irene Botts of Harvard. Fruit salad, cake and coffee were served.

Mr. and Mrs. Ray Bartlett and family of Waukegan were visitors Sunday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Jacob Fish was surprised Wednesday night with a party in observance of his birthday. The following attended: From Antioch: Sheridan Burnette, Mr. and Mrs. Virgil Burnette; Mr. and Mrs. Richard Burnette and family. From Lake Villa were Mr. and Mrs. William Fish and Mr. and Mrs. Ray Burnette, and daughter. From Gurnee were Mr. and Mrs. James Olson and family, and from Waukegan, Mrs. James Fish. Refreshments were served.

Mrs. Bertha Fish is ill at her home with a cold.

Bruce Ladewig was a patient at Victory Memorial Hospital Monday.

Herman Sterling, Jr., is ill at his home with the chickenpox.

Mrs. Julia Gulfe and Mrs. Irene Rehm and daughter, Libertyville, were visitors Monday at the home of Mr. and Mrs. Henry Jarvis.

Mary Kay Jarvis spent Sunday with Miss Sandy Hayes of Lindenhurst.

Oscar Herbst returned recently from a Florida vacation.

Ed Sherry was ill at his home here on Grand Ave., Lake Villa.

Garden Club Federates with State Group; Plan Activities for Spring

By Mrs. Bernice Bernau
Ellet 6-5449

LINDENHURST—The Lindenhurst Garden Club has federated with the Garden Club of Illinois, Inc. Members will receive an official publication "Garden Glories" published every two months. The Federation will also supply speakers, films, slides and books. Accredited judges will also judge their annual flower shows and members may attend flower show school.

At a recent meeting Mrs. Gustav (Marge) Fabry of Fairfield Road was elected chairman of the Fifth Annual Flower Show, to be held this summer. Mrs. Don (Lois) Ringsteyer, of Deerpath Road, president, is to be assistant.

Mrs. Hubert (Zelma) Bechtol of Witcomb Lane is chairman of the Garden Club for the second annual Countryside Hospital rummage sale to be at the Lake Villa School, March 10-11. She will be in charge of dishes, pots and pans.

Mrs. Augusta W. Kruse of Ingleside, president of the Long Lake Garden Club will be the guest speaker at their Feb. 2 meeting. She will be first on the program, that will start promptly at 8 p. m. Her talk will be on "A Perennial Walk," illustrated with colored slides.

Visitors are welcome. The group meets at the Venetian Village Civic Association building.

The Altar and Rosary Sodality of the Prince of Peace Church in Lake Villa are making plans for a card party to be held in April.

The Lindenhurst Police Men's Wives' Club met at Mrs. Russell (Alberta) Bethley's home on Elmwood Drive, Jan. 18. Attending were Mesdames Jean Beller, Shirley Coles, Roberta Hazel, Jane Spears, Bernice Calderone, Bernice Frontzak and Vi Selzer. Games were played and refreshments served. Mrs. Selzer won a vase of flowers for first prize; Mrs. Beller, a wall planter for second prize, and Mrs. Spears a tea bag holder for booby prize.

Mrs. Warren (Dee) Flint of Thornwood Drive was hostess for the "Wood-Chicks" monthly meeting, Jan. 18 at her home. The "Pajama Party" was attended by Beverly Tomasik, Anita Romano, Nanc Kleffner, Sheila Prybko, Peggy Karry, Anne Hartokolis, Norma Gibbs, Esther LaChance, Evelyn Dusek, Jeannette Pfeifer, Joyce Maloney and Dorothy Thompson. "Costumes" included chin straps, hair-curlers creamed faces, gowns and pajamas, old fashioned kimonos, robes house slippers and other night-time attire.

Each girl brought a white elephant used as a prize in buncos. Plans for the Valentine party were made and refreshments were served.

Mr. and Mrs. John (Sharon) Salvorsen of Hickory Drive are the parents of their first child, Kenneth John, born Jan. 17 at Victory Memorial Hospital. Dr. Alan Thain of Antioch delivered the 7 pound, 9 ounce child.

Maternal grandparents are Mr. and Mrs. Charles Ott, formerly of Lindenhurst and Antioch, now of Payson, Ariz. Maternal great-grandparents are Mr. and Mrs. Fred Krebs of Chicago. Mrs. Krebs is now staying with Sharon to help assist with baby.

Paternal grandparents are Mr.

and Mrs. Russ Halvorsen of Antioch. Paternal great-grandmother is Mrs. Elizabeth Anzinger, also of Antioch. Little Debbie, daughter of Lou and Anne Hartokolis of Thornwood Drive, had two big birthday parties last Thursday, Jan. 19, to celebrate her third birthday. The LaChance Gibbs, Karry and Maloney children and mothers then attended the afternoon party along with Mrs. Hartokolis' mother, Mrs. Anna Aberle of West Miltmore, and cousin Mrs. Glen (Doris) Edwards and her children of Gages Lake.

The pre-schoolers played games and had party favors. Twelve friends and relatives were guests for supper and stayed for the evening.

Bonnie Tuck of Fox Lake gave a surprise party for Terri Paprzya of Burr Oak Lane last Saturday to celebrate her 18th birthday. Approximately 25 friends were present.

A family party was celebrated Jan. 23, when Terri officially became of age. She is the daughter of Mr. and Mrs. William Paprzya. Happy birthday to Mrs. Robert (Irene) Sullivan of Deerpath Road, Jan. 18.

Mrs. John (Lorraine) Grant of Longmeadow Drive was hostess to the Tuesday night Po-Keena Club. Players were Mesdames Marie Anderson, Dorothy Golden, Jean Morse and Dorothy Smith. Also, Miss Shirley Heidner and her aunt Dorothy.

Mrs. Martin (Dorothy) Golden of Elmwood Drive is a patient at St. Therese Hospital. She entered the hospital Sunday evening for tests and x-rays. Her mother, Mrs. Wright of Chicago, is taking care of the five children while she is confined.

The Ivy Cancer League will meet Thursday, Jan. 26, at Mrs. Floyd (Lu) Stanley's home on Sand Lake Road at 8 p. m. Her home is opposite the B. J. Hooper school. Mrs. Grace Slove is president.

Floyd Stanley's brother, William, and his family moved into their new home on Nathan Hale Drive in Venetian Village recently.

Congratulations to Mr. and Mrs. John (Grace) Slove of Sunset Lane on their 20th wedding anniversary Feb. 1.

Carl Seemann of Linden Cleaners announced winners of the various prizes in their recent grand opening. Richard Collignon of Venetian Village was awarded a transistor radio and a girl's bicycle. Ida Swanson of Venetian Village, a boy's bicycle. Mrs. C. Foseo of Venetian Village a clock radio. Kay Shoumake of Antioch received a beagle. Pamela Page of Valley Drive drew the winning tickets.

Sergeant Art Nelson of Burr Oak Lane, Army recruiter, showed the Lindenhurst Junior Police Club two movies at their meeting last Tuesday. One movie concerned Ranger Training School at Fort Benning, Ga. The second movie was "The Airborne Soldier."

Junior police members are reminded they must have the group insurance. The fee is \$1.00 and covers them while they are at a meeting or on trips with the club. The next meeting will be Feb. 7.

Archie Minnie of Valley Drive, Mrs. Blanche Hanf of Hazelwood Drive and Mrs. Vivian Baker of Hazelwood Drive are hospital patients.

DEATH NOTICES

MRS. EVELEIN L. HATTON
Mrs. Eveleyn L. Hatton, 88, of Hawthorne, Cal., died Friday, Jan. 20, in California.

Born May 1, 1872, in Chicago, Mrs. Hatton lived there for many years before retiring to California. In 1923, she and her husband built a summer home at Loon Lake, Antioch, and spent many week-ends there.

Mr. and Mrs. Hatton operated a fuel business in Chicago, before his death.

She is survived by one son, Bradley Hatton of Torrance, Cal.; one daughter, Mrs. Elsie (Dr. Earl J.) Hays of Antioch; six grandchildren and 12 great grandchildren. She was preceded in death by her husband, John G., and a son, Irwin.

Services were held in California at 4 p. m. Monday, Jan. 23, followed by graveside services at 10:30 a. m. Tuesday at Montrose Cemetery, Chicago. The Rev. Edmond Hood of St. Ignatius Episcopal Church, Antioch, officiated at the latter.

JOSEPHINE LEPINSKI

Josephine Lepinski, of Paddock Lake, Wis., died suddenly at her home Tuesday, Jan. 17. She had lived in Irons, Mich., and Chicago before moving to Paddock Lake 12 years ago.

She was a member of the Holy Name Church at Wilmet, Wis. Her husband, Frank Lepinski, preceded her in death Jan. 24, 1958.

Survivors are one nephew, John Dampitz, and two nieces, Miss Eleanor Dampitz and Mrs. Anna Fensperle, all of Chicago.

Services were conducted at 10 a. m., Friday at the Strang Funeral Home, Antioch, then to Holy Name Church, Wilmet, with burial in Holy Name Cemetery.

RAYMOND J. SIMON

SILVER LAKE, Wis.—Raymond J. Simon, 42, died unexpectedly Sunday in his home here. He was stricken while ice skating with his children on the lake.

A Silver Lake resident since May 1960, Mr. Simon was born in Union Grove, and later lived in Racine and Kenosha.

He was a member of Holy Name Church at Wilmet. He served in the Army in World War II, and was proprietor of the Simon Garage, Racine.

Surviving are his wife, Lillian; two sons, Dennis Simon and Gary Minaeck, and one daughter, Charleen Simon, all at home; five brothers, six sisters, and his parents, Mr. and Mrs. Jacob Simon of Tucson, Ariz.

Services were held Wednesday from Strang's Funeral Home in Antioch to Holy Name Church, with burial in Holy Cross Cemetery, Racine, Wis.

Health Board Sponsors County-Wide Study of Sewer, Disposal Systems

The Lake County Board of Health is arranging for an engineering study to determine the feasibility of the provision of intercepting sewers and sewage disposal facilities for that portion of Lake County not draining into Lake Michigan and not within the limits of the North Shore Sanitary District. This was announced today by Arthur G. Baker, M.D., director of the Lake County Health Department.

The study will be conducted for the purpose of determining an adequate and economical plan for integrated sewage collection and disposal.

All of the engineering firms who

have demonstrated an interest have been invited to send representatives to screening sessions to be held in the offices of the health department. From this group three or four will be selected for additional screening by the Lake County Board of Health. The Board of Health will then select the firm to do the feasibility study.

The initial screening will be done by a group made up of Dr. Baker, John Morris, Chief Sanitary Engineer of the Health Department, Charles S. Brown, Ph.D., vice president, Abbott Laboratories, and Harry Schlenz. Schlenz is a Lake County Engineer and known nationally as a leader in the field of water pollution control. He has served on the Steering Committee of President Eisenhower's National Conference on Water Pollution.

The following people are members of the Lake County Board of Health: Walter J. Reedy, M.D., of Waukegan, president; Mrs. John B. Mullen, of Barrington, secretary; E. H. Ibbotson, D.D.S., of Lake Forest; R. J. Flakamp of Long Lake; Earl V. Klaren, M.D., of Libertyville; Joseph J. Nemanich of North Chicago; W. C. Petty of Antioch; and Allen I. Wolfe, Jr., of Highland Park.

The engineering firm which is finally selected by the Board of Health will study all aspects of this problem. They will study the allowable pollution load that can be placed on the Fox and DesPlaines Rivers.

The engineering firm will conduct investigations and studies, of the part of Lake County involved, to determine the most feasible location of interceptor sewers and sewage treatment plants.

The firm will then be asked to submit to the Board of Health construction cost estimates, plans for proposed methods of financing, and an estimate of the annual charges to properties and users to be served.

4-H Leader Training Meetings Scheduled

Two leader training meetings for the 4-H adult leaders in charge of the Foods and Nutrition Older project for 4-H members, "Milk and Eggs in Our Meals" will be held tonight, Jan. 26, at Central High School, Paddock Lake, at 7:30 p.m., Friday, Jan. 27, at the Wisconsin Electric Power Co., in Kenosha, at 9:30 a.m. Miss Phyllis Garside, county home agent, will conduct the meetings, and leaders may attend whichever one is most convenient.

A series of two training meetings will be held for first and second year 4-H leaders. The program will include: duties and responsibilities of the leaders, 4-H organization and activities, and the needs and interests of the various aged 4-H members.

The first of the two meetings will be held Monday, Jan. 30, at 7:30 p.m. at Central High School, Paddock Lake. The second in the series is scheduled for Thursday evening, Feb. 9, 7:30 p.m., at the same location.

A similar series is planned for Kenosha for which dates will be announced later.

Basketball Tourney On TV for 10th Year

The Illinois high school association basketball tournament will mark its 10th year on television Saturday, March 18.

It is the oldest annual high school basketball tournament telecast in the country and will be viewed by an estimated 2 1/2 million persons.

Albert Willis, executive secretary of the Illinois High School Association said the Illinois Bell Telephone Company again will sponsor the program. Illinois Bell originated the telecast in 1952 in cooperation with the IHSA and has sponsored it every year since.

An 11-station network will broadcast the semifinals and finals of the tournament Saturday from Huff Gymnasium in Champaign. WBKB (Channel 7) will be the Chicago outlet. Noted sportscasters Jack Drees, Chick Hearn and Tom Kelly will announce the tournament.

The Saturday telecast of the semifinals will begin at 1 p.m. and the evening program—the third place and championship games—will begin at 7:30. Saturday's games will be seen on Chicago Station WBKB, Channel 7.

The defending state champion is Marshall of Chicago, which defeated Bridgeport, 79-55, in last year's title game.

Bi-State League Thursday, Jan. 19

Dalgaard's IGA quintet, who have been in and out of first place several times, left no doubt about their title intentions, by cracking out 2795-1006 and a triple victory over Roepenack's. This victory put them back in first place by a half game.

Larry Dewar (600), Wayne Helwig (571) and Russ Dewar (562) provided the big punch for the Dalgaard team. Hadley had 540 for Roepenack.

Loren Porter smashed the night's top series, 602, and his team, Vos Construction, took a pair from Lyons & Ryan Ford. Larry Ryan's 545 was high for the Fords.

Carlson whacked 589 and sparked the Dortmund Inn team to a double win over Adolph's Channel Inn.

Haydon Homes copped a pair from Kirchmeyer Construction.

Mike Ozga and Frank Huss shot 583 and 573, respectively, for the Haydons, while S. Vish with 572 led the construction team.

Bob's Mobile Service (Bob James

A MAD MAN entering the synagogue is healed by Jesus in this scene from "Men of the Wilderness," to be shown Jan. 29 under auspices of the Lake Villa Community Methodist Church. The episode is the fourth in a series of 12 Living Christ full-color motion films being shown each Sunday at the church.

'Men of the Wilderness' Fourth Episode in Living Christ Series

The fourth episode in the Living Christ full-color motion picture series will be presented Sunday, Jan. 29, at 3:30 p.m. and 7:30 p.m., with the showing of "Men of the Wilderness" at the Community Methodist Church, Lake Villa.

The Rev. Anderson, pastor of the Antioch Methodist Church, will elaborate on the cultural background of the times in connection with the film during the afternoon showing.

The Rev. Paul Shaub, director of the Central Baptist Children's Home in Lake Villa will speak at the evening showing.

The film begins with John the Baptist's testimony that Jesus is the son of God, and goes on to portray the three temptations, the conflict between Herod and Herodias over the disposition of John, the calling of the first disciples on the shore of Galilee, the healing of the mad man of Capernaum, and the curing of the sick and lame in the courtyard of Peter's home.

The entire series has an outstanding cast including 200 speaking parts, according to the Rev. Gerald Robinson, pastor. He said it shows precise research and reverent treatment.

The series started Jan. 1, and will continue each Sunday through the 12 episodes. The public is invited to each session.

561), took two from Rudolph Turkeys (Louie Rudolph 592).

Mason Shoes (Reckers 541) won two from Beauti-Vue Products (Roberts 563).

Dalgaard's lead with 37 1/2-19 1/2. Kirchmeyer, 2nd, with 37-29; Rudolph and Mason tied for 3rd place with 32 1/2-24 1/2.

Taste The Big Difference!

TRY A TENDER JEWEL CHICKEN!

Jewel Food Stores

You'll be proud to serve a Jewel chicken—they're fresher, more tender! And here are three big reasons why:

1. Jewel fryers are raised to be delicious—bred scientifically to insure a plump, meatier bird, with sweet-flavored meat.
2. Jewel fryers are twice inspected—they must pass U.S. Government inspection, and another rigid inspection by Jewel Meat Buyers!
3. Then these top quality fryers are rushed to your Jewel... fresh from the farm... "3 times a week"... just couldn't be fresher!

All these reasons make a big difference... the delicious difference you taste when you serve a fresh fryer from Jewel

LV Township Speeds Studies With Eye to Bond Issues

FOX LAKE HILLS—Status of the subdivision's roads was clarified by Fred Popp, Lake Villa Township Road Commissioner, at last week's meeting of the Property Owners Association.

Popp enlarged on plans for improvement and maintenance of roads in Fox Lake Hills as well as the rest of the township. He reported that stop signs will be placed at strategic roads throughout the subdivision to meet requirements of a recently enacted statute.

Residents were invited to contact him on all problems concerning Fox Lake Hills roads.

Comprehensive reports were also

given on the allocation of fishing areas in Stanton Bay, parks, zoning, federation activities and unit problems by the respective committee chairmen.

Charles Lindholm, chairman of the Health and Sanitation Committee, reported on last week's meeting with Mort Hunter of the Sanitary Engineers firm of Consoer, Townsend & Associates of Chicago and Kenneth O. Stonsifer of the law firm of Ancel, Siegel & Stonsifer. Representatives from the Village of Fox Lake, Countryside Hospital and Gavin School District were also present.

A special meeting was arranged with John Morris, chief sanitary engineer of the Lake County Health Department for Monday, at the Gavin Central school in addition to the regularly scheduled Thursday meetings.

Speakers for last Thursday's meeting were John Gianglori, representative of the Bonding House of Benjamin Lewis & Co., LaVerne Dixon, attorney, and a representative of another firm as yet unconfirmed.

General feeling of the committee and board members is that the pace of the meetings must be accelerated if the spring referendum schedule is to be met.

The complete roster of Unit 3's park committee was submitted to the Association by Virginia Conrad, chairman. Included are Joan Anderson, Shirley Cummings, Gladys Lindholm, Charlene Moberg and Shirley Waugh. The committee has met on several occasions to plan improvements in the park for this year.

Group Aims to Plug Possible Loopholes in Tax Assessment

LAKE VILLA—Tax assessors have enough assistance and equipment to place all property on the tax rolls.

The move was taken by the Lake County School Board Association to insure that schools receive all monies to which they are entitled, according to William L. Thompson, LCSBA, president.

Thompson, in reporting to the town board recently, said that the questionnaires are no reflection on assessors or the system but that "we want to make sure that the schools are getting all the tax money they are entitled to."

He added that if assessors are hampered by lack of money to operate efficiently, LCSBA will urge the boards concerned to correct any omissions.

Directors of the Association meet monthly to study ways whereby schools may obtain maximum revenue from legal sources.

Certain Car Expenses Legal Tax Deductions

The Chicago Motor Club reminds motorists to include certain car expenses when itemizing deductions on long form income tax returns. All motorists may deduct the following items:

State automobile license fees; municipal vehicle tax fees; state gasoline taxes (five cents a gallon in Illinois; six cents a gallon in Indiana); casualty losses, not reimbursed by insurance or other means, if not due to willful negligence; interest paid on automobile loans; personal property tax; and state and city sales taxes on automobiles.

If you use your car for business, you also may deduct the following: in whole or in part, depending upon the extent of business use:

Motor Club dues; automobile insurance premiums, depreciation; gasoline, oil, and lubricating expenses; cost of all repairs; washing and polishing expense; anti-freeze and other wintering service; and garage rent, parking charges, and toll road fees.

Costs incurred in driving to and from regular places of employment are not deductible for income tax purposes. If you use your car partly for pleasure and partly for business, items in the second group are deductible only in proportion to the amount of use of the car for business purposes.

Sheep Raisers to Meet Monday at Paddock Lake

A meeting for Kenosha County people interested in sheep raising will be held at Central High School, Paddock Lake, Monday night, Jan. 30, at 8 p. m., according to County Agent, Paul Jaeger.

Quin Kolb of the University of Wisconsin Animal Husbandry Department will present a brief summary of the information that will have been presented in the sheep sectional meeting at the Farm and Home Week. Lamb and ewe management and feeding will be the second topic and the third will be lamb marketing.

This meeting is intended to provide an opportunity for an exchange of ideas between people interested in sheep.

Ravenglen Farm Cow High Milk Producer

The Holstein cow, Ravenglen Tri-une Urena, owned by Ravenglen Farm, Antioch, is among animals for which lifetime production records total more than 100,000 pounds of milk, according to the Holstein-Friesian Association of America.

The Ravenglen Farm animal has produced 110,826 pounds of milk and 4,447 pounds of butterfat in 3,052 days of official test.

Allens Must Report Before End of Month

Alva L. Pilliod, district director of the Chicago District of the Immigration and Naturalization Service, today reminded all aliens to report their addresses no later than Janu-

ary 31.

Cards with which to make the reports are available at post offices and offices of the Immigration and Naturalization Service throughout the country. The reports must be submitted to one of those offices.

Parents or guardians must submit reports for alien children under 14 years of age.

Pilliod urged all aliens to report before the end of January, as willful failure to do so may lead to serious penalties.

War Film of Auschwitz Concentration Camp To Be Shown Feb. 12

"The Last Stop," the filmed story of the Nazi concentration camp at Auschwitz in southern Poland and the experiences of some of those who lived in it, will be shown at Lake Forest College Feb. 12. Sponsored by the History Club, the film classic will be shown at 8:15 p. m. in Henry Durand Institute, North Campus.

Termed one of the greatest of war films, "The Last Stop" was awarded first prize at the 1948 International Film Festival at Marilanske Lazne, Czechoslovakia.

The film will be introduced by Dr. George M. Kren, instructor in history and faculty adviser of the campus History Club.

Reservations may be made through Mrs. Edwin W. Winter, Cedar 4-3100, extension 49, or tickets may be purchased at the door.

Legal Notices

POLICE MAGISTRATE

ORDINANCE

BE IT ORDAINED BY THE
PRESIDENT AND BOARD OF
TRUSTEES OF THE VILLAGE OF
ANTIOCH, COUNTY OF LAKE
AND STATE OF ILLINOIS:

SECTION 1: Election - Term.

There is hereby created the office of Police Magistrate. The Police Magistrate shall be elected at the general municipal election and shall hold his office for four years, and until his successor is elected and has qualified as is provided by statute.

SECTION 2: Bond. Before entering upon the duties of his office,

the Police Magistrate shall execute and deliver to the Village Clerk, and within twenty days after his election, a bond, to be approved by the President and Board of Trustees of said Village of Antioch with two or more good and sufficient sureties, in the sum of not less than Two Thousand Dollars, conditioned that he will justly and fairly account for and pay over all moneys that may come to his hands under any judgment or otherwise, by virtue of his said office, and that he will well and truly perform every act and duty enjoined upon him by the laws of the State of Illinois and the ordinances of the Village of Antioch, to the best of his skill and ability.

Such bond shall be made payable to the Village of Antioch, and shall be held for the security and benefit of all suitors and others who may be injured or aggrieved by the official acts or misconduct of such Police Magistrate.

SECTION 3: Oath. The Police Magistrate, before entering upon the duties of his office, shall take, subscribe and file, in the office of the Village Clerk, the oath of office prescribed in the Constitution.

Section 4: Failure to Qualify. If any Police Magistrate shall not, within twenty days after his election or appointment, take the oath and give bond, as aforesaid, such Police Magistrate shall not be permitted after that time to qualify, but the office shall be considered as vacant, and filled accordingly.

SECTION 5: Records - Accounts. It shall be the duty of the Police Magistrate to keep and maintain a full and complete docket of all actions commenced before him and the proceedings had thereon, and shall further keep accurate accounts showing all moneys received by him and the sources and disposition thereof; and such other records and accounts as may be required by Statute or Ordinance.

All fees, costs and emoluments of any kind collected by the Police Magistrate in civil and criminal cases and for all other kinds of services shall be paid over to the Village Treasurer on or before the 10th day of the month immediately following the month in which collection was made.

The dockets of the Police Magistrate shall be open to inspection by the public during all business hours of the day.

SECTION 6: Salary. The salary of the Police Magistrate shall be \$1200.00 per year and shall be paid monthly.

SECTION 7: Repealing Section. All Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 8: Effective Date. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

Murrill Cunningham
Village President

NOTICE OF SPECIAL ELECTION
Township High School District
Number 117, Lake County, Illinois

NOTICE is hereby given that on Saturday, the 11th day of February, 1961, a special election will be held in and for Township High School District Number 117, Lake County, Illinois, for the purpose of voting upon the following proposition:

Shall the Board of Education of Township High School District Number 117, Lake County, Illinois, issue bonds of said District to the amount of \$995,000 for the purpose of building and equipping an addition to and altering and repairing the present school building now owned and used by said District

Area Dairymen to Hear of Latest Developments in Feed and Care

A group of University of Illinois dairy scientists move into Elgin, Tuesday, Feb. 7 to conduct a special dairy meeting called Dairy Day, 1961.

The program starts at 10:30 a.m. at Blue Moon Hall, located on Route 20, just west of Elgin.

Lake County Farm Adviser Ray T. Nicholas says that University of Illinois specialists will give first-hand accounts of latest research findings and answer questions about problems facing area dairymen.

Here are some of the dairy specialists who will be on the program and the topics they will discuss:

Dairy researcher John Byers will explain recent research that indicates that dairy cows can receive a lot more corn in their diet than is now commonly fed. He will explain how the research may be applicable to Lake County dairymen.

R. W. Touchberry will point out that more accurate and complete proved-are data, which take into account a new, highly-important item, the effect of environment on milk records.

Research has riddled the idea that a heifer is safe to breed so long as she is at a certain age, according to dairy researcher N. I. VanDemark. VanDemark will use charts and slides to show that a stress on breeding weight instead of age puts a much-needed focus on care and feeding of replacement heifers—an

area that is too often neglected by dairymen.

Dairy Scientist Jack Albright will discuss what's new in milking and give some tips on milking machine care.

There will be dancing every Saturday night at the Antioch Moose Home with live music. Bring a Moose Brother with you. Entertainment committeemen are Ed Lindstrom, Robert Avery, Arthur LaFlamme and Robert Calloway.

Every Friday night is fish fry night at the Moose Home. Ralph Antes is chairman of the fish fry. Chicken and shrimp are also on the menu. Time—6 to 9 p.m.

For school purposes and commonly known as the "Antioch Township High School Building," said bonds to bear interest at the rate of not to exceed four and one-quarter per cent (4 1/4%) per annum, payable semi-annually.

That for the purpose of said election said School District has been divided into three voting precincts, the boundaries of each voting precinct and the polling place designated within each voting precinct being as follows:

VOTING PRECINCT NUMBER 1
Shall consist of all that part of Township High School District Number 117, Lake County, Illinois, situated within the political townships of Lake County, commonly known as Antioch Township and Newport Township.

POLLING PLACE: Antioch Township High School Building, located in the Village of Antioch, Illinois.

VOTING PRECINCT NUMBER 3
Shall consist of all that part of Township High School District Number 117, Lake County, Illinois, situated within the political township of Lake County, Illinois, commonly known as Lake Villa Township, except that part of said Lake Villa Township which is situated within Sections 25, 35, and 36, Township 46 North, Range 10 East of the Third Principal Meridian and also except that part of said Lake Villa Township which is situated within Sections 1 and 2 of Township 45 North, Range 10 East of the Third Principal Meridian, Lake County, Illinois.

POLLING PLACE: Lake Villa Grade School, Grand Avenue, in the Village of Lake Villa, Illinois.

VOTING PRECINCT NUMBER 3
Shall consist of all that part of Township High School District Number 117, Lake County, Illinois, situated within Sections 25, 35 and 36, Township 46 North, Range 10 East of the Third Principal Meridian and all that part of said District situated within Sections 1 and 2 of Township 45 North, Range 10 East of the Third Principal Meridian, Lake County, Illinois.

POLLING PLACE: B. J. Hooper School, in the Village of Lindenhurst, Illinois.

Voters must vote at the polling place designated for the voting precinct within which they reside.

The polls at said election will be opened at twelve o'clock Noon and will be closed at eight o'clock P. M., on said day.

By order of the Board of Education of Township High School District Number 117, Lake County, Illinois.

DATED this 18th day of January, 1961.

ROBERT C. DENMAN
President of the Board of Education of Township High School District Number 117, Lake County, Illinois.

RUTH H. SEYFARTH
Secretary of the Board of Education of Township High School District Number 117, Lake County, Illinois.

area that is too often neglected by dairymen.

Antioch Cagers Play Two This Weekend

Ela Host on Friday; Visit L.F. Saturday

Coach Larry Leon's cagers, with nowhere to go but up in conference standings, face a rugged weekend of basketball this weekend when they travel to Lake Zurich Friday to meet the Ela-Vernon Bears and play host the following night to the Lake Forest quintet.

The Bears, smarting from their 49-47 defeat Dec. 10 at the hands of the Sequoits, are always tough on their court and will be out to make amends.

Saturday's game will see both Antioch and Lake Forest fighting to climb out of the conference cellar and is shaping up as a real battle. Both clubs have played sporadic ball this season, but have shown signs of life. Invariably the answer has been too little, too late.

The Sequoits, currently sporting a 1-6 record, have had to depend primarily upon Herbst for scoring, and have been searching for an all-around playmaker to mesh the squad into a consistently smooth-working unit. To date this hasn't been forthcoming. But the all-around play of Dittman in last Friday's loss to Grayslake and the emergence of Hogan as a point-getter should have a strong bearing on the outcome of both games this weekend.

Krieger's 6-3 height has helped the squad in the rebound department, a glaring weakness this year, and the improved play of Elliott should pay off.

The loss of Ed Martin through injuries that will probably keep him out the rest of the season, and Schuth, now ineligible after completing his eighth semester, aren't encouraging.

But Coach Leon feels the squad is due to jell soon and this weekend could be as good a time as any.

Height Hurts Antioch in 62-57 Loss

Lack of height and experience worked against the Sequoits here Friday as Coach Larry Leon's hoopsters went down before the Grayslake Rams 62-57. The loss was the sixth in seven games for Antioch and pushes them further into the conference cellar along with Lake Forest, who came within a point of upsetting league leading Warren at Lake Forest.

The win, second in a row for Grayslake, gives them a 3-4 record and a share of fourth place in the Northwest Suburban Conference.

The Sequoits moved out smartly Friday with a quick 12-11 lead, but the Rams hit for 8 straight points to lead 19-12 at the quarter. Antioch came back in a low-scoring second quarter to outpoint Grayslake 13-9, and moved to within one point of the Rams, but trailed 28-25 at the half.

Antioch moved up again at the opening of the second half. But the Rams, bulwarked by the rebounding of Hawkins, 6-5 and Alderton, 6-7 sophomore, moved out into a commanding 47-37 margin at the end of the third.

Trailing by 14 points with two minutes left in the game, the Sequoits closed with a spurge of 9 straight points to bring them within five points of the Rams. But their hot spell came too late.

The Rams' forward line had just too much height for the smaller Sequoits, who were consistently out-bounded and out-positioned under the boards. Grayslake players grabbed off 9 offensive rebounds and 17 on defense against 9 and 9 for Antioch.

Accuracy from the field was one decisive factor, with the Rams sinking 22 of 43 attempts for a hot 51.2 mark, while Sequoits banked away with regularity, but could come up with nothing but a cold 27.9 average for hitting only 19 in 68 attempts.

Les Herbst continued to spark Antioch offensively with 20 points and was given a steady hand by Hogan with 15, who also turned in a neat all-around game. Harassed by four persons going into the fourth, Hogan was held back for portions of the final quarter.

Bud Dittman, who broke into the scoring column with two field goals, turned in a creditable floor performance and may shape up in the role of a playmaker, a key position lacking in Sequoit efforts thus far this season.

Don Hawkins contributed plentifully to Ram efforts with 24 points in addition to some fine floor play, and was assisted by Craig Alderton with 12 and Bob Parker with 9.

SILVER LAKE, Wis.—With the weatherman cooperating, plans were being wrapped up today for the 7th Annual Ice Fishing Derby Carnival of the Kenosha County Conservation Club, Sunday, at Silver Lake.

Classified as one of the largest winter sports events in the country, the annual event is expected to draw an estimated 10,000 spectators.

The day's schedule, running from 7 a. m. to 4:30 p. m., includes special events for adults and children. There will be Go-Kart racing, a penny scramble, a special fishing event, and a sled obstacle race for the small fry. The antics of Doodles, the skating clown will be another feature.

Highlights of this year's derby will include: a skin-diving exhibition under the ice, a tent city on ice with ice fishing shacks aplenty, and the awarding of a lifetime membership in the club to President John F. Kennedy. The membership will be accepted for President Kennedy by the mayor of Madison.

Many celebrities and winter sports personalities are expected to attend.

The Silver Lake Chamber of Commerce, under president Art Derokum will assist the Conservation Club in arrangements for the carnival.

Refreshments such as sandwiches, hot chocolate and coffee will be available, and plenty of free parking is promised.

There is no charge for spectators to this event. Proceeds for certain events will be used to maintain and improve the club's 225-acre clubgrounds and clubhouse in Bristol, and to carry on the many activities, including a youth program, throughout the year.

Frosh Lead League with 7th Victory

Sequit freshman cagers, now sporting a 7-0 conference record by virtue of their 49-39 victory over Grayslake last Saturday morning, may go all the way if they can maintain their present pace.

The lone loss by Coach Roy Nelson's squad came at the hands of a tough Zion squad last week when they dropped a 49-39 decision.

Paced by Nichol, who blistered the baskets for 26 points, the Antioch frosh jumped off to an early lead and were never headed. Others scoring for Antioch were Gates 8, Hagen, Fisher and Lear, with 8 each.

Midget Auto Races Scheduled Feb. 4

CHICAGO—Top names from the Indianapolis Speedway "500" mile race will be on hand for the return of the USAC national championship midget auto races at the International Amphitheatre on Saturday night, Feb. 4.

In addition, the Go-Kart Club of America will stage its third of four national indoor races, with more than 300 go-karts participating in seven classes.

SEQUIT CENTER Les Herbst gains tip-off to Hogan (behind referee) in conference game here last Friday with Grayslake. Brian Elliott, 24, moves into play, while Bob Krieger is partially blocked at left. The Rams moved along to win 62-57, dumping Antioch into a last-place tie with Lake Forest.

Soph Cagers 58-41 Over Grayslake 5

Antioch's sophomore hoopsters rolled by Grayslake 58-41 here last Friday in their fourth win against three losses.

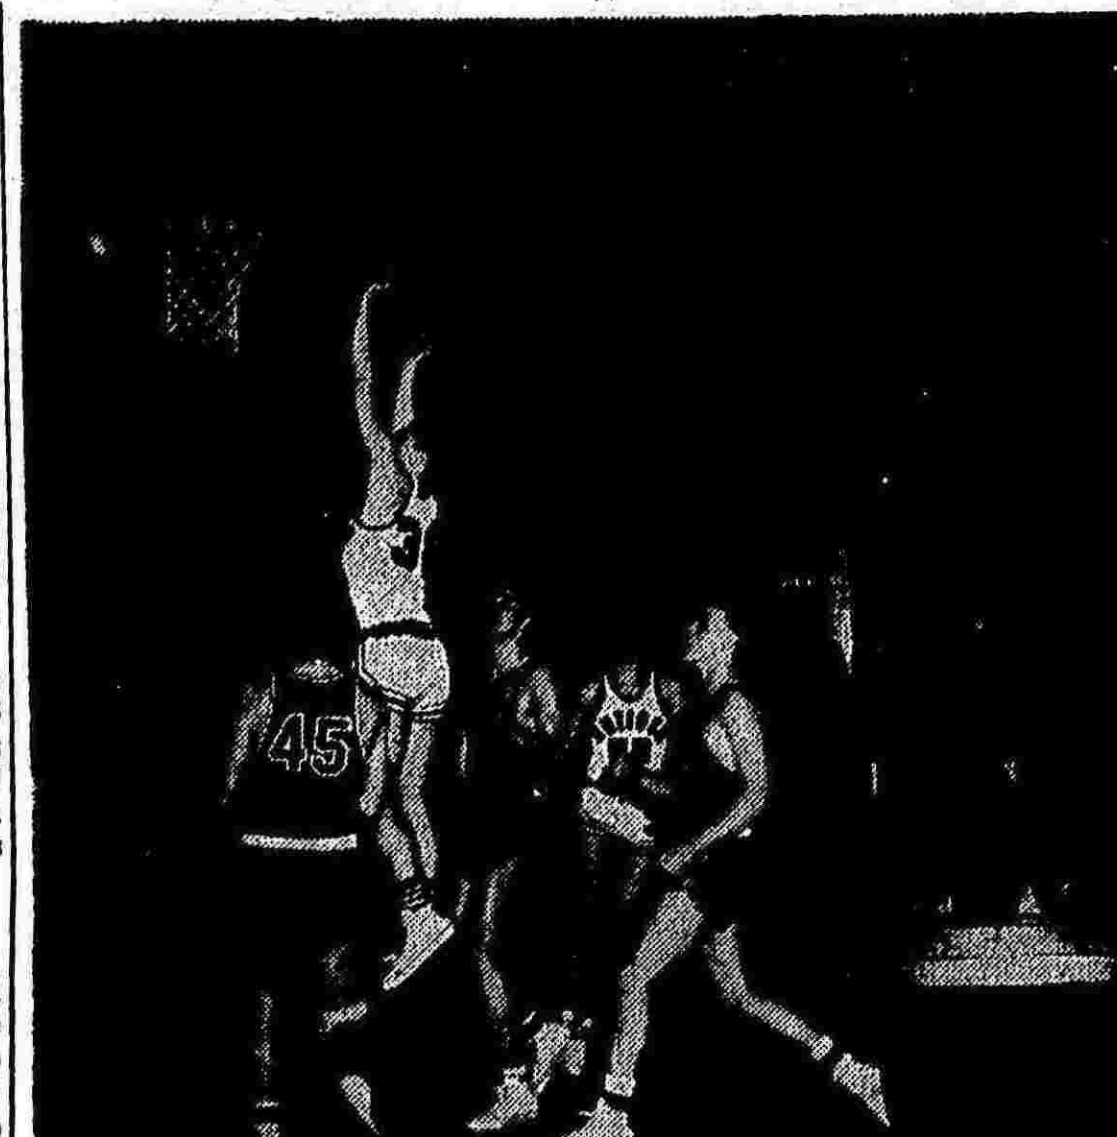

The Sequoit sophs jumped out to an early 14-5 lead which they stretched to 29-15 at the half. Both teams battled on even terms during the third, each netting 11 points, and Antioch ended out the scoring with an 18-15 fourth quarter.

Kubicki assumed scoring honors for the evening with 24, while 5 foot Jim Brownlee continued his point-getting habits with six field goals and one free throw for 13. High for Grayslake was Hopkins with 18.

BEHIND 14 points with less than five minutes to go, Antioch cagers, led by Les Herbst, who slips through Grayslake defenses for a lay-up, went on a 9-point spurt. But it wasn't enough to close the gap as the Rams took their third conference victory Friday, 62-57.

Blisters Maple With 720 Series

Chuck Moran of Antioch sparked his team, Petersen's TV, to a three-game sweep Monday night in the Monday Night Owl League, with a blistering 720 series.

With somewhat spasmodic aid from his poverty stricken teammates, Moran put together games of 225-257 and 238, and boosted Petersen's TV into first place.

His four awe-stricken lane partners were last seen heading for the County Welfare Agency.

Warren Edges Lake Forest In Close Tilt

LAKE FOREST—Last-place Lake Forest threw a real scare last Friday into the league leading Warren Blue Devils, who managed to eke out a scant 58-57 victory over the charged-up Scouts.

And in taking their seventh straight to maintain a firm grip on first place in the Northwest Suburban Conference, the Blue Devils once again showed the pulse that has brought them out in front when the going was roughest.

Warren jumped off to a 16-10 lead with indications that it might attempt to use the Scouts as strictly practice material.

However, the Scouts came back in the second quarter with a 17-12 advantage and Warren considered itself fortunate to hold a 28-27 half-time lead.

In a ring-ding third quarter with the lead changing back and forth, both teams worked neck and neck with 14 points each and ended the quarter with Warren still holding on gamely by a one-point lead, 42-41.

Lake Forest moved out into a three-point lead early in the fourth, with the lead changing hands once a minute for the next five minutes, until Larry Beshel, game high scorer with 17, hit with a field goal and two free throws in final seconds to end the scoring. And Warren had done it again.

Cheerleaders are Carolyn Lasco, Norma Heimbrodt, Sharon Zerr, Mary Dahlman, Patty Serahon, Karen Roberts and Marge Bartley.

WINNING TOP honors in the Christmas tournament of the Junior Bowling League were (left to right): Kathy Kaulman, second in the girls' division with 297; Barbara Cosello, high in the Bantam Girls division with 317; Fred Wittler, winner of Bantam Boys with 333; Ernie Westlund, 458; and Bob Lenczewski, high with 582. The tournament was sponsored by The Antioch News.

Panthers Quell Wauconda Spurt In 59-55 Triumph

ROUND LAKE—Wauconda and Round Lake continued the spirited play which marked conference action last weekend with the Panthers chilling a last-period Bulldog rally to cap a 59-55 decision. The win moved Round Lake into a fourth-place tie in the conference.

Wauconda's Bulldogs jumped into an early 5-0 lead, but the Panthers pulled abreast with the score 12-12 at the quarter. Both teams started fast in the second with the lead changing hands several times before Round Lake was able to move ahead to end the half at 33-25.

Round Lake held onto its lead and extended the count to 45-39 at the end of three periods. The Bulldogs closed fast in the fourth, twice working to within two points, with the score 49-47, with less than four minutes to go. In final moments, Round Lake sank six straight to coast home.

Roy Johnson paced the winners with 23 points, followed by Bud Williams and Clyde Diana with 14 each. Hughes paced the losers with 19, followed by Coomes with 15 and LeLito, 10.

Channel Lake Cagers Split in 8 Games

By Mrs. Pearl Kapell

CHANNEL LAKE—The "A" basketball squad of the Channel Lake Chieftans is currently even with a 4-4 won-loss mark in play thus far this season. The squad beat Oakland 30-13, Jan. 13, and continued on to a victory over Lotus, Jan. 17.

In last Friday's game, Harrison was too much, winning 37-31 over Channel Lake. However, the "B" squad Chieftans came through with a 20-11 win over Harrison "B."

Jesse Inman and Bill Portalski with 17 and 3 points, were high in scoring.

Next game will be Friday, Feb. 3, when Channel Lake journeys to Fremont. Game time is 3:30 p.m. On Wednesday, Feb. 8, the Chieftans will play Gavin School.

Lineups of the Chieftans are:

"A" Squad

Junior Burger (g), Ricky Cooper (f), Bill Loeper (f), Jesse Inman (f), Dean Dowell (c), Victor Rogers (c), Bill Portalski (f), Greg McBain (g), Tim Hucker (f), Dennis Heimbrodt (g), Miles Yanca (g), Ron Holstrom (g).

"B" Squad

Bob Willis (f), Bill Shelton (f), Marty Peters (f), Bill Berger (g).
